# User's Guide

In order to assist both the legal profession and the layman in obtaining the maximum benefit from the Mississippi Code of 1972 Annotated, a User's Guide has been included in the main volume. This guide contains comments and information on the many features found within the Code intended to increase the usefulness of the Code to the user.

### Annotations

Case annotations are included based on decisions of the State and federal courts in cases arising in Mississippi. Annotations to collateral research references are also included.

To better serve our customers by making our annotations more current, LexisNexis has changed the sources that are read to create annotations for this publication. Rather than waiting for cases to appear in printed reporters, we now read court decisions as they are released by the courts. A consequence of this more current reading of cases, as they are posted online on LexisNexis, is that the most recent cases annotated may not yet have print reporter citations. These will be provided, as they become available, through later publications.

This publication contains annotations taken from decisions of the Mississippi Supreme Court and the Court of Appeals and decisions of the appropriate federal courts. These cases will be printed in the following reporters:

Southern Reporter, 3rd Series  
United States Supreme Court Reports  
Supreme Court Reporter  
United States Supreme Court Reports, Lawyers' Edition, 2nd Series  
Federal Reporter, 4th Series  
Federal Supplement, 3rd Series  
Federal Rules Decisions  
Bankruptcy Reporter

Additionally, annotations have been taken from the following sources:

American Law Reports, 8th Series  
American Law Reports, Federal 2nd  
Mississippi College Law Review  
Mississippi Law Journal

Finally, published opinions of the Attorney General and opinions of the Ethics Commission have been examined for annotations.

### Amendment Notes

Amendment notes detail how the new legislation affects existing sections.

### Editor's Notes

Editor's notes summarize subject matter and legislative history of repealed sections, provide information as to portions of legislative acts that have not been codified, or explain other pertinent information.

### ARCHITECTS

Sec. 73-1-21. Qualifications required of architects residing outside this state:

#### § 73-1-21. Qualifications required of architects residing outside this state.

Any architect residing outside this state may obtain a certificate to practice in the State of Mississippi by complying with Section 73-1-13, and by paying the fees prescribed by the rules of the board; however, no such nonresident applicant shall receive a certificate to practice in this state unless the applicant furnishes evidence satisfactory to the board that the applicant holds a current and valid registration issued by a registration authority recognized by the board, holds a National Council of Architectural Registration Board's certificate, has never been restrained from practicing architecture, and has never had a certificate or license revoked. Each nonresident applicant shall submit, as a part of the application, a sworn affidavit stating that neither such applicant nor any person in, or agent of, the applicant's firm has practiced or is practicing architectural work in this state prior to the applicant having been licensed by the board unless such person or agent holds a license to practice architecture in this state. Failure to submit this affidavit is just cause for disapproval of the application. Every applicant for reciprocity registration shall comply fully with the requirements for resident applicants, except that nonresident applicants who met the requirements for issuance of a certificate of registration by the board prior to January 1, 1987, and who, on that date, held a current and valid registration by a registration authority recognized by the board or were qualified exam candidates in another jurisdiction recognized by the board, shall not be required to meet the degree requirements of Section 73-1-13. The board shall have the further right to exercise its discretion as to whether such nonresident architect shall be issued such certificate to practice.

The issuance of a certificate by reciprocity to a military-trained applicant,

military spouse or person who establishes residence in this state shall be subject to the provisions of Section 73-50-1 or 73-50-2, as applicable.

## CHAPTER 2.

### LANDSCAPE ARCHITECTURAL PRACTICE

Sec.

73-2-11. Exemptions from examination.

#### § 73-2-11. Exemptions from examination.

The board may exempt from examination any applicant who holds a license or certificate to practice landscape architecture issued to him upon examination by a legally constituted board of examiners of any other state or Washington, D.C., or any other territory or possession under the control of the United States, provided that such requirements of the state in which the applicant is registered are equivalent to those of this state.

Each nonresident applicant shall submit, as part of the application, a sworn affidavit stating that neither such applicant nor any person in or agent of the applicant's firm has practiced or is practicing landscape architectural work in this state prior to the applicant having been licensed by the board unless such person or agent holds a license to practice landscape architecture in this state. Failure to submit this affidavit or submitting an affidavit which is false in any respect shall constitute just cause for denial of the application.

An applicant who is a licensed landscape architect but who was admitted in a jurisdiction which did not offer a written examination acceptable to the board or was admitted without the requirement of passing a written examination may be issued a license to practice landscape architecture in this state upon the taking and passing of any examination or procedure as may be adopted by the board, provided that such applicant meets all other requirements for issuance of a license to practice landscape architecture in this state.

The issuance of a license by reciprocity to a military-trained applicant, military spouse or person who establishes residence in this state shall be subject to the provisions of Section 73-50-1 or 73-50-2, as applicable.

### ATTORNEYS AT LAW

#### ARTICLE 1.

### ADMISSION AND CONDUCT OF ATTORNEYS.

**§ 73-3-2. Power to admit persons to bar; qualifications for admission; appeal from denial of admission; board of bar admissions; written examination; review for failing applicants; fees; certification of applicants for admission; issuance of order granting license to practice.**

#### JUDICIAL DECISIONS

##### 1. In general.

Chancery court, when the husband failed to appear at the divorce trial, did not improperly allow the husband's parents to exercise authority over the property distribution, or act as de facto attorneys for the husband. Instead, the husband's parents participated in the trial

as witnesses and stepped forward and created lists of property belonging to each party, offered through the wife's counsel, to expedite the property distribution process. Speights v. Speights, 270 So. 3d 968, 2018 Miss. App. LEXIS 458 (Miss. Ct. App. 2018).

**§ 73-3-31. Persons excepted from educational requirements.**

**§ 73-3-55. Unlawful to practice law without license; certain abstract companies may certify titles.****JUDICIAL DECISIONS****1. In general.**

Paralegal's email transmitting a fee bill to the trial judge did not amount to the unauthorized practice of law because the attorney wholly failed to show how the paralegal's statement in an email amount to the practice of law, had anything to do with legal advice, or required any knowledge of law whatsoever. *Smith v. Hickman, Goza & Spragins, PLLC*, 265 So. 3d 139, 2019 Miss. LEXIS 22 (Miss. 2019).

Because the statute specifically prohib-

ited any person from engaging in the practice of law in the State who had not been licensed according to law, there was no error in the circuit court's denial of defendant's request for a "next friend" counsel who was not a licensed attorney. *Caissie v. State*, 254 So. 3d 849, 2018 Miss. App. LEXIS 110 (Miss. Ct. App. 2018), cert. denied, 254 So. 3d 170, 2018 Miss. LEXIS 410 (Miss. 2018), cert. denied, — U.S. —, 140 S. Ct. 100, 205 L. **CHAPTER 4.**  
**AUCTIONEERS**

Sec.

73-4-23.

Exemption from examination requirements for nonresidents.

**§ 73-4-23. Exemption from examination requirements for nonresidents.**

Any auctioneer who is licensed in a state that (a) has requirements equal to the requirements of this chapter, (b) has requirements that have been approved by the commission, after a review of such state's licensing law, and (c) has entered into a reciprocal licensing agreement with the State of Mississippi through such state's regulatory authority over auctioneering, may apply for and be granted a license without examination. Applicants for a license through reciprocity shall furnish the commission by application the same information as that required of resident applicants. In addition to the biennial license fee, nonresidents shall pay to the commission a fee of Two Hundred Fifty Dollars (\$250.00). A nonresident auctioneer shall furnish to the commission a surety bond, obligated to the State of Mississippi, in the amount of Ten Thousand Dollars (\$10,000.00) prior to being issued a license. The bond shall be executed by the person seeking the license as principal and by a corporate surety, licensed to do business in this state, as surety. The bond shall otherwise be in accordance with the provisions of this chapter.

The issuance of a license by reciprocity to a military-trained applicant, military spouse or person who establishes residence in this state shall be subject to the provisions of Section 73-50-1 or 73-50-2, as applicable.

**HISTORY:** Laws, 1995, ch. 405 § 12; reenacted without change, Laws, 2010, ch. 335, § 12; Laws, 2013, ch. 350, § 7; reenacted and amended, Laws, 2013, ch.

The State Board of Chiropractic Examiners shall hold at least two (2) examinations each year. In case of failing to pass such examination, the applicant, after the expiration of six (6) months and within two (2) years, shall have the privilege of taking a second examination by the board with the payment of an additional fee equal to that charged the State Board of Chiropractors by the National Board of Chiropractic Examiners. An applicant who fails the examination twice shall not be permitted to retake the examination until completion of further course of study to be outlined by the board and payment of the fee for further examination. Every applicant who passed the examination and otherwise complies with the provisions of this chapter shall receive from the board, under its seal, a certificate of licensure which entitles him to practice chiropractic in this state; however, such certificate does not in any way qualify a chiropractor to make application to practice on the medical staff of any hospital licensed by the State Department of Health. Such certificate shall be duly registered in a record book which shall be properly kept by the secretary of the board and which shall be open to public inspection. A duly certified copy of said record shall be competent evidence in all courts of this state to establish licensure.

Each application or filing made under this section shall include the social security number(s) of the applicant in accordance with Section 93-11-64, Mississippi Code of 1972.

In addition, the board is authorized and empowered to issue subpoenas for the attendance of witnesses and the production of books and papers. Where in any proceeding before the board any witness shall fail or refuse to attend upon subpoena issued by the board, shall refuse to testify, or shall refuse to produce any books and papers, the production of which is called for by the subpoena, the attendance of such witness and the giving of his testimony and the production of the books and papers shall be enforced by any court of competent jurisdiction of this state in the manner provided for the enforcement of attendance and testimony of witnesses in civil cases in the courts of this state.

(3) In addition to any other investigators the board employs, the board shall appoint one or more licensed chiropractors to act for the board in investigating the conduct relating to the competency of a chiropractor, whenever disciplinary action is being considered for professional incompetence and unprofessional conduct.

(4) Whenever the board finds any person unqualified to practice chiropractic because of any of the grounds set forth in subsection (1) of this section, after a hearing has been conducted as prescribed by this section, the board may enter an order imposing one or more of the following:

If there is an appeal, such appeal may, in the discretion of and on motion to the circuit court, act as a supersedeas. The circuit court shall dispose of the appeal and enter its decision promptly. The hearing on the appeal may, in the discretion of the

circuit judge, be tried in vacation. Either party shall have the right of appeal to the Supreme Court as provided by law from any decision of the circuit court.

(6) In a proceeding conducted under this section by the board for the revocation, suspension or cancellation of a license to practice chiropractic, after a hearing has been conducted as prescribed by this section, the board shall have the power and authority for the grounds stated in subsection (1) of this section, with the exception of paragraph (c) thereof, to assess and levy upon any person licensed to practice chiropractic in the state a monetary penalty in lieu of such revocation, suspension or cancellation, as follows:

(a) For the first violation, a monetary penalty of not less than Five Hundred Dollars (\$500.00) nor more than One Thousand Dollars (\$1,000.00) for each violation.

(b) For the second and each subsequent violation, a monetary penalty of not less than One Thousand Dollars (\$1,000.00) nor more than Two Thousand Five Hundred Dollars (\$2,500.00) for each violation.

The power and authority of the board to assess and levy such monetary penalties under this section shall not be affected or diminished by any other proceeding, civil or criminal, concerning the same violation or violations. A licensee shall have the right of appeal from the assessment and levy of a monetary penalty as provided in this section to the circuit court under the same conditions as a right of appeal is provided for in this section for appeals from an adverse ruling, or order, or decision of the board. Any monetary penalty assessed and levied under this section shall not take effect until after the time for appeal has expired, and an appeal of the assessment and levy of such a monetary penalty shall act as a supersedeas.

(7) In addition to the grounds specified in subsection (1) of this section, the board shall be authorized to suspend the license of any licensee for being out of compliance with an order for support, as defined in Section 93-11-153. The procedure for suspension of a license for being out of compliance with an order for support, and the procedure for the reissuance or reinstatement of a license suspended for that purpose, and the payment of any fees for the reissuance or reinstatement of a license suspended for that purpose, shall be governed by Section 93-11-157 or 93-11-163, as the case may be. Actions taken by the board in suspending a license when required by Section 93-11-157 or 93-11-163 are not actions from which an appeal may be taken under this section. Any appeal of a license suspension that is required by Section 93-11-157 or 93-11-163 shall be taken in accordance with the appeal procedure specified in Section 93-11-157 or 93-11-163, as the case may be, rather than the procedure specified in this section. If there is any conflict between any provision of Section 93-11-157 or 93-11-163 and any provision of this chapter, the provisions of Section 93-11-157 or 93-11-163, as the case may be, shall control.

## JUDICIAL DECISIONS

### ANALYSIS

1. De novo review.
2. Assessment of costs of investigation.

#### 1. De novo review.

Chiropractor’s appeal from the Mississippi State Board of Chiropractic Examiners’ (Board) decision was not reviewed de novo, despite Miss. Code Ann. § 73-6-19(5), because (1) the first proceeding was before the Board, and (2) there could be no de novo appeal absent a prior appeal. Barlow v. Miss. State Bd. of Chiropractic Examiners, 233 So. 3d 223, 2017 Miss. LEXIS 209 (Miss. 2017).

#### 2. Assessment of costs of investigation.

Mississippi State Board of Chiropractic Examiners (Board) had no authority to assess the costs of an investigation against a chiropractor because the statute allowing the Board to assess monetary penalties did not explicitly allow the Board to assess the costs of an investigation to a party disciplined. Barlow v. Miss. State Bd. of Chiropractic Examiners, 233 So. 3d 223, 2017 Miss. LEXIS 209 (Miss. 2017).

## JUDICIAL DECISIONS

### ANALYSIS

1. Relation to other laws.
2. Limitations on advertising.

#### **1. Relation to other laws.**

Patient's Right to Informed Health Care Choices Act (Act), codified as Miss. Code Ann. § 41-121-1 et seq., did not repeal Miss. Code Ann. § 73-6-25(1)(a) by making a chiropractor tell patients of the chiropractor's other certifications because the other certifications were not licenses the Act intended to reveal. Barlow v. Miss.

State Bd. of Chiropractic Examiners, 233 So. 3d 223, 2017 Miss. LEXIS 209 (Miss. 2017).

#### **2. Limitations on advertising.**

Chiropractor did not show statutes requiring the chiropractor to use only certain licensure designations in advertising did not violate the First Amendment because the evidence demonstrated that the chiropractor's advertisements were actually misleading. Barlow v. Miss. State Bd. of Chiropractic Examiners, 233 So. 3d 223, 2017 Miss. LEXIS 209 (Miss. 2017).

(2) In lieu of revocation of a license as provided for above, the board may suspend the license of the offending dentist or dental hygienist, suspend the sedation permit of the offending dentist, or take any other action in relation to his or her license as the board may deem proper under the circumstances.

(3) When a license to practice dentistry or dental hygiene is revoked or suspended by the board, the board may, in its discretion, stay the revocation or suspension and simultaneously place the licensee on probation upon the condition that the licensee shall not violate the laws of the State of Mississippi

pertaining to the practice of dentistry or dental hygiene and shall not violate the rules and regulations of the board and shall not violate any terms in relation to his or her license as may be set by the board.

(4) In a proceeding conducted under this section by the board for the denial, revocation or suspension of a license to practice dentistry or dental hygiene, the board shall have the power and authority for the grounds stated for that denial, revocation or suspension, and in addition thereto or in lieu of that denial, revocation or suspension may assess and levy upon any person licensed to practice dentistry or dental hygiene in the State of Mississippi, a monetary penalty, as follows:

(a) For the first violation of any of subparagraph (a), (b), (c), (d), (f), (i), (l), (m), (n), (o) or (q) of subsection (1) of this section, a monetary penalty of not less than Fifty Dollars (\$50.00) nor more than Five Hundred Dollars (\$500.00).

(b) For the second violation of any of subparagraph (a), (b), (c), (d), (f), (i), (l), (m), (n), (o) or (q) of subsection (1) of this section, a monetary penalty of not less than One Hundred Dollars (\$100.00) nor more than One Thousand Dollars (\$1,000.00).

(c) For the third and any subsequent violation of any of subparagraph (a), (b), (c), (d), (f), (i), (l), (m), (n), (o) or (q) of subsection (1) of this section, a monetary penalty of not less than Five Hundred Dollars (\$500.00) and not more than Five Thousand Dollars (\$5,000.00).

(d) For any violation of any of subparagraphs (a) through (q) of subsection (1) of this section, those reasonable costs that are expended by the board in the investigation and conduct of a proceeding for licensure revocation or suspension, including, but not limited to, the cost of process service, court reporters, expert witnesses and investigators.

(5) The power and authority of the board to assess and levy monetary penalties under this section shall not be affected or diminished by any other proceeding, civil or criminal, concerning the same violation or violations except as provided in this section.

(6) A licensee shall have the right of appeal from the assessment and levy of a monetary penalty as provided in this section under the same conditions as a right of appeal is provided elsewhere for appeals from an adverse ruling, order or decision of the board.

(7) Any monetary penalty assessed and levied under this section shall not take effect until after the time for appeal has expired. In the event of an appeal, the appeal shall act as a supersedeas.

(8) A monetary penalty assessed and levied under this section shall be paid to the board by the licensee upon the expiration of the period allowed for appeal of those penalties under this section or may be paid sooner if the licensee elects. With the exception of subsection (4)(d) of this section, monetary penalties collected by the board under this section shall be deposited to the credit of the General Fund of the State Treasury. Any monies collected by the board under subsection (4)(d) of this section shall be deposited into the special fund operating account of the board.

(9) When payment of a monetary penalty assessed and levied by the board against a licensee in accordance with this section is not paid by the licensee when due under this section, the board shall have power to institute and maintain proceedings in its name for enforcement of payment in the chancery court of the county and judicial district of residence of the licensee, and if the licensee is a nonresident of the State of Mississippi, the proceedings shall be in the Chancery Court of the First Judicial District of Hinds County, Mississippi.

(10) In addition to the reasons specified in subsection (1) of this section, the board shall be authorized to suspend the license of any licensee for being out of compliance with an order for support, as defined in Section 93-11-153. The procedure for suspension of a license for being out of compliance with an order for support, and the procedure for the reissuance or reinstatement of a license suspended for that purpose, and the payment of any fees for the reissuance or reinstatement of a license suspended for that purpose, shall be governed by Section 93-11-157 or 93-11-163, as the case may be. If there is any conflict between any provision of Section 93-11-157 or 93-11-163 and any provision of this chapter, the provisions of Section 93-11-157 or 93-11-163, as the case may be, shall control.

(11) All grounds for disciplinary action, including imposition of fines and assessment of costs as enumerated above, shall also apply to any other license or permit issued by the board under this chapter or regulations duly adopted by the board.

## § 73-9-65. Accused entitled to notice, hearing and appeal; practice of dentistry or dental hygiene pending appeal.

### JUDICIAL DECISIONS

#### 2. Timeliness.

Dismissal of an appeal by a dentist from a decision by the Mississippi State Board of Dental Examiners to revoke his dental license was appropriate because the chancery court lacked appellate jurisdiction

over the appeal based on the dentist's failure to file his notice of appeal within thirty days of the Board's decision as required by statute. *Arrington v. Miss. State Bd. of Dental Examiners*, 266 So. 3d 627, 2019 Miss. LEXIS 124 (Miss. 2019).

Examination of applicants for license; qualifications; fees; reciprocity; renewal of license; license not assignable or valid for any person other than licensee; exemption for students enrolled in accredited funeral service technology or mortuary science programs [Repealed effective July 1, 2025].**

(1) No person shall engage in the business or practice of funeral service, including embalming, and/or funeral directing or hold himself out as transacting or practicing or being entitled to transact or practice funeral service, including embalming, and/or funeral directing in this state unless duly licensed under the provisions of this chapter.

(2) The board is authorized and empowered to examine applicants for licenses for the practice of funeral service and funeral directing and shall issue

the proper license to those persons who successfully pass the applicable examination and otherwise comply with the provisions of this chapter.

(3) To be licensed for the practice of funeral directing under this chapter, a person must furnish satisfactory evidence to the board that he or she:

(a) Is at least eighteen (18) years of age;

(b) Has a high school diploma or the equivalent thereof;

(c) Has served as a resident trainee for not less than twenty-four (24) months under the supervision of a person licensed for the practice of funeral service or funeral directing in this state;

(d) Has successfully passed a written and/or oral examination as prepared or approved by the board; and

(e) Is of good moral character.

(4) To be licensed for the practice of funeral service under this chapter, a person must furnish satisfactory evidence to the board that he or she:

(a) Is at least eighteen (18) years of age;

(b) Has a high school diploma or the equivalent thereof;

(c) Has successfully completed twelve (12) months or more of academic and professional instruction from an institution accredited by the United States Department of Education for funeral service education and have a certificate of completion from an institution accredited by the American Board of Funeral Service Education or any other successor recognized by the United States Department of Education for funeral service education;

(d) Has served as a resident trainee for not less than twelve (12) months, either before or after graduation from an accredited institution mentioned above, under the supervision of a person licensed for the practice of funeral service in this state and in an establishment licensed in this state;

(e) Has successfully passed the National Conference of Funeral Examiners examination and/or such other examination as approved by the board; and

(f) Is of good moral character.

(5) All applications for examination and license for the practice of funeral service or funeral directing shall be upon forms furnished by the board and shall be accompanied by an examination fee, a licensing fee and a nonrefundable application fee in amounts fixed by the board in accordance with Section 73-11-56. The fee for an initial license, however, may be prorated in proportion to the period of time from the date of issuance to the date of biennial license renewal prescribed in subsection (8) of this section. All applications for examination shall be filed with the board office at least sixty (60) days before the date of examination. A candidate shall be deemed to have abandoned the application for examination if he does not appear on the scheduled date of examination unless such failure to appear has been approved by the board.

(6) The practice of funeral service or funeral directing must be engaged in at a licensed funeral establishment, at least one (1) of which is listed as the licensee's place of business; and no person, partnership, corporation, association or other organization shall open or maintain a funeral establishment at which to engage in or conduct or hold himself or itself out as engaging in the

practice of funeral service or funeral directing until such establishment has complied with the licensing requirements of this chapter. A license for the practice of funeral service or funeral directing shall be used only at licensed funeral establishments; however, this provision shall not prevent a person licensed for the practice of funeral service or funeral directing from conducting a funeral service at a church, a residence, public hall, lodge room or cemetery chapel, if such person maintains a fixed licensed funeral establishment of his own or is in the employ of or an agent of a licensed funeral establishment.

(7) Any person holding a valid, unrevoked and unexpired nonreciprocal license in another state or territory having requirements greater than or equal to those of this state as determined by the board may apply for a license to practice in this state by filing with the board a certified statement from the secretary of the licensing board of the state or territory in which the applicant holds his license certifying to his qualifications and good standing with that board. He/she must also successfully pass a written and/or oral examination on the Mississippi Funeral Service licensing law and rules and regulations as prepared or approved by the board, and must pay a nonrefundable application fee set by the board. If the board finds that the applicant has fulfilled aforesaid requirements and has fulfilled substantially similar requirements of those required for a Mississippi licensee, the board shall grant such license upon receipt of a fee in an amount equal to the renewal fee set by the board for a license for the practice of funeral service or funeral directing, as the case may be, in this state. The board may issue a temporary funeral service or funeral directing work permit before a license is granted, before the next regular meeting of the board, if the applicant for a reciprocal license has complied with all requirements, rules and regulations of the board. The temporary permit will expire at the next regular meeting of the board. The issuance of a license or temporary permit by reciprocity to a military-trained applicant, military spouse or person who establishes residence in this state shall be subject to the provisions of Section 73-50-1 or 73-50-2, as applicable.

(8)(a) Except as provided in Section 33-1-39, any person holding a license for the practice of funeral service or funeral directing may have the same renewed for a period of two (2) years by making and filing with the board an application on or before the due date. Payment of the renewal fee shall be in an amount set by the board in accordance with Section 73-11-56. The board shall mail the notice of renewal and the due date for the payment of the renewal fee to the last-known address of each licensee at least thirty (30) days before that date. It is the responsibility of the licensee to notify the board in writing of any change of address. An application will be considered late if the application and proper fees are not in the board's office or postmarked by the due date. Failure of a license holder to receive the notice of renewal shall not exempt or excuse a license holder from the requirement of renewing the license on or before the license expiration date.

(b) If the renewal fee is not paid on or postmarked by the due date, the license of such person shall by operation of law automatically expire and become void without further action of the board. The board may reinstate

such license if application for licensure is made within a period of five (5) years, upon payment of the renewal fee for the current year, all renewal fees in arrears, and a reinstatement fee. After a period of five (5) years, the licensee must make application, pay the current renewal fee, all fees in arrears, and pass a written and/or oral examination as prepared or approved by the board.

(9) No license shall be assignable or valid for any person other than the original licensee.

(10) The board may, in its discretion, if there is a major disaster or emergency where human death is likely to occur, temporarily authorize the practice of funeral directing and funeral service by persons licensed to practice in another state but not licensed to practice in this state. Only persons licensed in this state, however, may sign death certificates.

(11) Any funeral service technology or mortuary science program accredited by the American Board of Funeral Service Education in the State of Mississippi, as well as students enrolled in such a program, shall be exempt from licensing under this chapter when embalming or otherwise preparing a deceased human body for disposition as part of a student practicum experience, when the student is directly supervised by an instructor or preceptor who holds a current funeral service license. This exemption shall apply to practicum experiences performed at an accredited institution of funeral service technology or mortuary science program or at a duly licensed funeral establishment or commercial mortuary service. Nothing in this subsection shall be construed to allow any funeral service technology or mortuary science program, or those students enrolled in such a program, to engage in practicum experiences for remuneration.

(12) Each application or filing made under this section shall include the social security number(s) of the applicant in accordance with Section 93-11-64.

December following their issuance or renewal and shall become invalid on that date unless renewed. It shall be the duty of the board to notify every person licensed under this chapter of the date of the expiration of his certificate and the amount of the fee that shall be required for its renewal for one (1) year or two (2) years. Such notice shall occur at least one (1) month in advance of the date of the expiration of said certificate. Renewal may be effected at any time during the month of December by the payment of a fee, as determined by the board, not to exceed Fifty Dollars (\$50.00) or One Hundred Dollars (\$100.00) if renewals are for two (2) years. A person who is licensed as a professional engineer and as a professional surveyor may effect both renewals by the payment of a fee not to exceed Seventy-five Dollars (\$75.00), or One Hundred Fifty Dollars (\$150.00) if renewals are for two (2) years. The failure on the part of any licensee to renew his certificate annually, or biennially, in the month of December as required above, shall not deprive such person of the right of renewal, but the fee to be paid for the renewal of a certificate after the month of December shall be increased ten percent (10%) for each month, or fraction of a month that payment of renewal is delayed; provided, however, that the maximum fee for delayed renewal shall not exceed five (5) times the normal renewal fee. A state agency or any of the state's political subdivisions, such as a county or municipality, may pay the renewal fee of any licensee who is a full-time employee; provided, however, that any licensee who permits his/her renewal fee to be paid from any public funds shall not perform engineering or surveying services for a fee or other emoluments for the public or for any other public entity. If a certificate has expired for six (6) months or more, the licensee shall be required to submit a new application, paying back fees and submitting proof of continuing professional competency compliance. If the certificate has expired for five (5) years or more, in addition to submitting a new application and proof of continuing professional competency compliance, reexamination in the principles and practice may be required. The reexamination requirement may be waived by the board provided the applicant has continued to practice in another jurisdiction from the date of expiration of his certificate.

**§ 73-13-35. Persons holding certificate from a national body or other state.**

The board may, upon application therefor and the payment of a fee in accordance with Section 73-13-25, issue a certificate of licensure as a professional engineer to any person who holds a certificate of qualification or licensure issued to him by proper authority of any state or territory or possession of the United States, or of any country, provided that the applicant's qualifications meet the requirements of Sections 73-13-1 through 73-13-45 and the rules established by the board. The issuance of a certificate of licensure by reciprocity to a military-trained applicant, military spouse or person who establishes residence in this state shall be subject to the provisions of Section 73-50-1 or 73-50-2, as applicable.

**§ 73-13-39. Unlawful acts and penalties.****JUDICIAL DECISIONS****2. Constitutionality.**

State licensing board's decision that name "Tire Engineers" for a business that operated automotive services centers violated a state law restricting use of term "engineer" to those with professional licenses violated First Amendment's commercial speech protections, even though the company name was potentially misleading, because the law was more exten-

sive than necessary to protect the public and the board failed to address why alternative, less-restrictive means, such as a disclaimer, would not accomplish the statutory goal. *Express Oil Change, L.L.C. v. Miss. Bd. of Licensure for Prof'l Eng'rs & Surveyors*, 916 F.3d 483, 2019 U.S. App. LEXIS 4805 (5th Cir. Miss. 2019).

**§ 73-13-43. Corporations or partnerships.**

As of January 1, 2005, no corporation, firm or partnership may engage in the practice of professional engineering in this state unless it has been issued a certificate of authority by the board. In order to qualify for a certificate of authority, a corporation, firm or partnership must have at least one (1) Mississippi-licensed professional engineer as a principal officer, partner or designated principal engineer of the firm who has management responsibility for such practice and who makes significant technical and/or contractual

judgments on behalf of the firm which would affect the firm's professional reputation and liability.

The board shall have the authority to promulgate rules and regulations setting procedures, standards and other requirements for issuing and maintaining a certificate of authority for corporations, firms or partnerships practicing engineering in the State of Mississippi.

Applications for a certificate of authority shall be on the forms prescribed and furnished by the board, and provide all the information required by said board. The board shall establish a fee for the certificate of authority application, not to exceed Two Hundred Fifty Dollars (\$250.00) for a one-year certificate or Four Hundred Dollars (\$400.00) for a two-year certificate. Any corporation, firm or partnership having the necessary qualifications as prescribed herein and the rules and regulations of the board shall be issued a certificate of authority for said corporation, firm or partnership to practice engineering and to contract and collect fees for furnishing this service.

Each certificate of authorization will expire on December 31 of the end of the renewal period year. It shall be the duty of the board to notify every corporation, firm or partnership holding a certificate of authority under Sections 73-13-1 through 73-13-45 of the date of the expiration of the certificate and the amount of the fee that shall be required for its renewal for one (1) year or two (2) years. The renewal fee shall not exceed One Hundred Fifty Dollars (\$150.00) for one (1) year or Three Hundred Dollars (\$300.00) for two (2) years; penalties for late renewal shall be ten percent (10%) per month that payment is delayed. Additionally, if any of the information on the initial or any subsequent renewal application changes for the corporation, firm or partnership, said corporation, firm or partnership shall notify the board in the form and manner prescribed by the board within thirty (30) days of the change.

Effective January 1, 2005, the Secretary of State shall not issue a certificate of incorporation, licensure or authorization to an applicant or licensure as a foreign firm to a corporation, firm or partnership which includes in its name, or among the objectives for which it is established, any of the words, "engineer," "engineering," or any modification or derivation thereof, unless the board has issued for said applicant a certificate of authority or a letter indicating the eligibility of such applicant to receive such a certificate. The corporation, firm or partnership applying shall supply such certificate or letter from the board with its application for incorporation, licensure or authorization to the Secretary of State.

An engineer who renders occasional, part-time or consulting engineering services to or for a corporation, firm or partnership may not, for the purposes of this section, be designated as being responsible for the professional activities of the firm.

No such corporation, firm or partnership shall be relieved of responsibility for the conduct or acts of its agents, employees, officers, partners, members or managers by reason of its compliance with the provisions of this section. No individual practicing engineering under this chapter shall be relieved of responsibility for engineering services performed by reason of employment or other relationship with a firm holding an authorization certificate.

### § 73-13-85. Expiration and renewals.

Certificates of licensure shall expire on the last day of the month of December at the end of the renewal period following their issuance or renewal and shall become invalid on that date unless renewed. It shall be the duty of the board to notify every person licensed under Sections 73-13-71 through 73-13-105 of the date of the expiration of his certificate and the amount of the fee that shall be required for its renewal for one (1) year or two (2) years; such notice shall occur at least one (1) month in advance of the date of the expiration of said certificate. Renewal may be effected at any time during the month of December by the payment of a fee not to exceed Fifty Dollars (\$50.00) or One Hundred Dollars (\$100.00) if renewals are for two (2) years. A person who is licensed as a professional surveyor and as a professional engineer may effect both renewals by the payment of a single fee not to exceed Seventy-five Dollars (\$75.00), or One Hundred Fifty Dollars (\$150.00) if renewals are for two (2) years. The failure on the part of any licensee to renew his certificate annually or biennially in the month of December as required above shall not deprive such person of the right of renewal, but the fee to be paid for the renewal of a certificate after the month of December shall be increased ten percent (10%) for each month that payment of renewal is delayed; however, the maximum fee for delayed renewal shall not exceed five (5) times the normal renewal fee.

If a certificate has expired for six (6) months or more, the licensee shall be required to submit a new application, paying back fees and submitting proof of continuing professional competency compliance. If the certificate has expired for five (5) years or more, in addition to submitting a new application and proof of continuing professional competency compliance, reexamination in the principles and practice may be required. The reexamination may be waived by the board provided the applicant has continued to practice under another jurisdiction from the date of expiration of his certificate.

To assist the board in conducting its licensure investigation, all applicants shall undergo a fingerprint-based criminal history records check of the Mississippi central criminal database and the Federal Bureau of Investigation criminal history database. Each applicant shall submit a full set of his or her fingerprints in a form and manner prescribed by the board, which shall be forwarded to the Mississippi Department of Public Safety (department) and the Federal Bureau of Investigation Identification Division for this purpose.

Except when introduced into evidence in a hearing before the board to determine licensure, no such information or records related thereto shall, except with the written consent of the applicant or by order of a court of competent jurisdiction, be released or otherwise disclosed by the board to any other person or agency.

The board shall provide to the department the fingerprints of the applicant, any additional information that may be required by the department, and a form signed by the applicant consenting to the check of the criminal records and to the use of the fingerprints and other identifying information required by the state or national repositories.

## JUDICIAL DECISIONS

### 1. In general.

Chancery court properly reversed the Board of Nursing’s decision finding a nurse practitioner (NP) guilty of, and placing her license on probation for, negligently or willfully practicing nursing in a manner that failed to meet generally accepted standards of nursing practice and falsifying or negligently making an incorrect entry on records because the Board improperly used a settlement agreement as the basis for the first charge, the allegedly improper documentation incidents were not substantial evidence of a violation of statutory nursing standards of care, and the second charge was only related to one incident for which the VA had formerly determined was not a termi-

nable offense. *Miss. State Bd. of Nursing v. Mack*, — So. 3d —, 2021 Miss. App. LEXIS 255 (Miss. Ct. App. June 15, 2021).

Chancery court erred in reversing the decision of the Mississippi State Board of Nursing, which found a nurse guilty of violating the statute because the Board’s decision was supported by substantial evidence and thus, not arbitrary and capricious; the Board found that the nurse’s positive test result provided clear and convincing evidence that she had converted Demerol to her own use, and the results established substantial evidence to support the Board’s decision. *State Bd. of Nursing v. Hobson*, 283 So. 3d 290, 2019 Miss. App. LEXIS 458 (Miss. Ct. App. 2019).

### NURSE LICENSURE COMPACT.

Sec.

73-15-201. Nurse licensure compact.

### § 73-15-201. Nurse licensure compact.

The Nurse Licensure Compact is enacted into law and entered into by this

state with any and all states legally joining in the compact in accordance with its term, in the form substantially as follows:

## ARTICLE I.

### Findings and declaration of purpose.

(a) The party states find that:

1. The health and safety of the public are affected by the degree of compliance with and the effectiveness of enforcement activities related to state nurse licensure laws;
2. Violations of nurse licensure and other laws regulating the practice of nursing may result in injury or harm to the public;
3. The expanded mobility of nurses and the use of advanced communication technologies as part of our nation's health care delivery system require greater coordination and cooperation among states in the areas of nurse licensure and regulation;
4. New practice modalities and technology make compliance with individual state nurse licensure laws difficult and complex;
5. The current system of duplicative licensure for nurses practicing in multiple states is cumbersome and redundant for both nurses and states; and
6. Uniformity of nurse licensure requirements throughout the states promotes public safety and public health benefits.

(b) The general purposes of this compact are to:

1. Facilitate the states' responsibility to protect the public's health and safety;
2. Ensure and encourage the cooperation of party states in the areas of nurse licensure and regulation;
3. Facilitate the exchange of information between party states in the areas of nurse regulation, investigation and adverse actions;
4. Promote compliance with the laws governing the practice of nursing in each jurisdiction;
5. Invest all party states with the authority to hold a nurse accountable for meeting all state practice laws in the state in which the patient is located at the time care is rendered through the mutual recognition of party state licenses;
6. Decrease redundancies in the consideration and issuance of nurse licenses; and
7. Provide opportunities for interstate practice by nurses who meet uniform licensure requirements.

## ARTICLE II.

### Definitions.

As used in this compact:

(a) "Adverse action" means any administrative, civil, equitable or criminal action permitted by a state's laws which is imposed by a licensing board or other authority against a nurse, including actions against an individual's license or multistate licensure privilege such as revocation, suspension, probation, monitoring of the licensee, limitation on the licensee's practice, or any other encumbrance on licensure affecting a nurse's authorization to practice, including issuance of a cease and desist action.

(b) "Alternative program" means a nondisciplinary monitoring program approved by a licensing board.

(c) "Coordinated licensure information system" means an integrated process for collecting, storing and sharing information on nurse licensure and enforcement activities related to nurse licensure laws that is administered by a nonprofit organization composed of and controlled by licensing boards.

(d) "Current significant investigative information" means:

2. Investigative information that indicates that the nurse represents an immediate threat to public health and safety regardless of whether the nurse has been notified and had an opportunity to respond.

(e) "Encumbrance" means a revocation or suspension of, or any limitation on, the full and unrestricted practice of nursing imposed by a licensing board.

(f) "Home state" means the party state which is the nurse's primary state of residence.

(g) "Licensing board" means a party state's regulatory body responsible for issuing nurse licenses.

(i) "Multistate licensure privilege" means a legal authorization associated with a multistate license permitting the practice of nursing as either a registered nurse (RN) or LPN/VN in a remote state.

(j) "Nurse" means RN or LPN/VN, as those terms are defined by each party state's practice laws.

(k) "Party state" means any state that has adopted this compact.

(l) "Remote state" means a party state, other than the home state.

(m) "Single-state license" means a nurse license issued by a party state that authorizes practice only within the issuing state and does not include a multistate licensure privilege to practice in any other party state.

(n) "State" means a state, territory or possession of the United States and the District of Columbia.

(o) "State practice laws" means a party state's laws, rules and regulations that govern the practice of nursing, define the scope of nursing practice,

and create the methods and grounds for imposing discipline. "State practice laws" do not include requirements necessary to obtain and retain a license, except for qualifications or requirements of the home state.

### ARTICLE III.

#### General provisions and jurisdiction.

(a) A multistate license to practice registered or licensed practical/vocational nursing issued by a home state to a resident in that state will be recognized by each party state as authorizing a nurse to practice as a registered nurse (RN) or as a licensed practical/vocational nurse (LPN/VN), under a multistate licensure privilege, in each party state.

(b) A state must implement procedures for considering the criminal history records of applicants for initial multistate license or licensure by endorsement. Such procedures shall include the submission of fingerprints or other biometric-based information by applicants for the purpose of obtaining an applicant's criminal history record information from the Federal Bureau of Investigation and the agency responsible for retaining that state's criminal records.

(c) Each party state shall require the following for an applicant to obtain or retain a multistate license in the home state:

1. Meets the home state's qualifications for licensure or renewal of licensure, as well as, all other applicable state laws;

- 2.(i) Has graduated or is eligible to graduate from a licensing board-approved RN or LPN/VN prelicensure education program; or

- 2.(ii) Has graduated from a foreign RN or LPN/VN prelicensure education program that (a) has been approved by the authorized accrediting body in the applicable country and (b) has been verified by an independent credentials review agency to be comparable to a licensing board-approved prelicensure education program;

3. Has, if a graduate of a foreign prelicensure education program not taught in English or if English is not the individual's native language, successfully passed an English proficiency examination that includes the components of reading, speaking, writing and listening;

4. Has successfully passed a National Council Licensure Examination-Registered Nurse (NCLEX-RN®) or National Council Licensure Examination-Practical Nurse (NCLEX-PN®) Examination or recognized predecessor, as applicable;

5. Is eligible for or holds an active, unencumbered license;

6. Has submitted, in connection with an application for initial licensure or licensure by endorsement, fingerprints or other biometric data for the purpose of obtaining criminal history record information from the Federal Bureau of Investigation and the agency responsible for retaining that state's criminal records;

7. Has not been convicted or found guilty, or has entered into an agreed disposition, of a felony offense under applicable state or federal criminal law;

8. Has not been convicted or found guilty, or has entered into an agreed disposition, of a misdemeanor offense related to the practice of nursing as determined on a case-by-case basis;

9. Is not currently enrolled in an alternative program;

10. Is subject to self-disclosure requirements regarding current participation in an alternative program; and

11. Has a valid United States social security number.

(d) All party states shall be authorized, in accordance with existing state due process law, to take adverse action against a nurse's multistate licensure privilege such as revocation, suspension, probation or any other action that affects a nurse's authorization to practice under a multistate licensure privilege, including cease and desist actions. If a party state takes such action, it shall promptly notify the administrator of the coordinated licensure information system. The administrator of the coordinated licensure information system shall promptly notify the home state of any such actions by remote states.

(e) A nurse practicing in a party state must comply with the state practice laws of the state in which the client is located at the time service is provided. The practice of nursing is not limited to patient care, but shall include all nursing practice as defined by the state practice laws of the party state in which the client is located. The practice of nursing in a party state under a multistate licensure privilege will subject a nurse to the jurisdiction of the licensing board, the courts and the laws of the party state in which the client is located at the time service is provided.

(f) Individuals not residing in a party state shall continue to be able to apply for a party state's single-state license as provided under the laws of each party state. However, the single-state license granted to these individuals will not be recognized as granting the privilege to practice nursing in any other party state. Nothing in this compact shall affect the requirements established by a party state for the issuance of a single-state license.

(g) Any nurse holding a home state multistate license, on the effective date of this compact, may retain and renew the multistate license issued by the nurse's then-current home state, provided that:

1. A nurse, who changes primary state of residence after this compact's effective date, must meet all applicable Article III(c) requirements to obtain a multistate license from a new home state.

2. A nurse who fails to satisfy the multistate licensure requirements in subsection (c) of this article due to a disqualifying event occurring after this compact's effective date shall be ineligible to retain or renew a multistate license, and the nurse's multistate license shall be revoked or deactivated in accordance with applicable rules adopted by the Interstate Commission of Nurse Licensure Compact Administrators ("commission").

**ARTICLE IV.****Applications for licensure in a party state.**

(a) Upon application for a multistate license, the licensing board in the issuing party state shall ascertain, through the coordinated licensure information system, whether the applicant has ever held, or is the holder of, a license issued by any other state, whether there are any encumbrances on any license or multistate licensure privilege held by the applicant, whether any adverse action has been taken against any license or multistate licensure privilege held by the applicant and whether the applicant is currently participating in an alternative program.

(b) A nurse may hold a multistate license, issued by the home state, in only one (1) party state at a time.

(c) If a nurse changes primary state of residence by moving between two (2) party states, the nurse must apply for licensure in the new home state, and the multistate license issued by the prior home state will be deactivated in accordance with applicable rules adopted by the commission.

1. The nurse may apply for licensure in advance of a change in primary state of residence.

2. A multistate license shall not be issued by the new home state until the nurse provides satisfactory evidence of a change in primary state of residence to the new home state and satisfies all applicable requirements to obtain a multistate license from the new home state.

(d) If a nurse changes primary state of residence by moving from a party state to a nonparty state, the multistate license issued by the prior home state will convert to a single-state license, valid only in the former home state.

**ARTICLE V.****Additional authorities invested in party state licensing boards.**

(a) In addition to the other powers conferred by state law, a licensing board shall have the authority to:

1. Take adverse action against a nurse's multistate licensure privilege to practice within that party state.

(i) Only the home state shall have the power to take adverse action against a nurse's license issued by the home state.

(ii) For purposes of taking adverse action, the home state licensing board shall give the same priority and effect to reported conduct received from a remote state as it would if such conduct had occurred within the home state.

In so doing, the home state shall apply its own state laws to determine appropriate action.

2. Issue cease and desist orders or impose an encumbrance on a nurse's authority to practice within that party state.

3. Complete any pending investigations of a nurse who changes pri-

mary state of residence during the course of such investigations. The licensing board shall also have the authority to take appropriate action(s) and shall promptly report the conclusions of such investigations to the administrator of the coordinated licensure information system. The administrator of the coordinated licensure information system shall promptly notify the new home state of any such actions.

4. Issue subpoenas for both hearings and investigations that require the attendance and testimony of witnesses, as well as, the production of evidence.

Subpoenas issued by a licensing board in a party state for the attendance and testimony of witnesses or the production of evidence from another party state shall be enforced in the latter state by any court of competent jurisdiction, according to the practice and procedure of that court applicable to subpoenas issued in proceedings pending before it. The issuing authority shall pay any witness fees, travel expenses, mileage and other fees required by the service statutes of the state in which the witnesses or evidence are located.

5. Obtain and submit, for each nurse licensure applicant, fingerprint or other biometric-based information to the Federal Bureau of Investigation for criminal background checks, receive the results of the Federal Bureau of Investigation record search on criminal background checks and use the results in making licensure decisions.

6. If otherwise permitted by state law, recover from the affected nurse the costs of investigations and disposition of cases resulting from any adverse action taken against that nurse.

7. Take adverse action based on the factual findings of the remote state, provided that the licensing board follows its own procedures for taking such adverse action.

(b) If adverse action is taken by the home state against a nurse's multistate license, the nurse's multistate licensure privilege to practice in all other party states shall be deactivated until all encumbrances have been removed from the multistate license. All home state disciplinary orders that impose adverse action against a nurse's multistate license shall include a statement that the nurse's multistate licensure privilege is deactivated in all party states during the pendency of the order.

(c) Nothing in this compact shall override a party state's decision that participation in an alternative program may be used in lieu of adverse action. The home state licensing board shall deactivate the multistate licensure privilege under the multistate license of any nurse for the duration of the nurse's participation in an alternative program.

## ARTICLE VI.

### Coordinated licensure information system and exchange of information.

(a) All party states shall participate in a coordinated licensure informa-

tion system of all licensed registered nurses (RNs) and licensed practical/vocational nurses (LPNs/VNs). This system will include information on the licensure and disciplinary history of each nurse, as submitted by party states, to assist in the coordination of nurse licensure and enforcement efforts.

(b) The commission, in consultation with the administrator of the coordinated licensure information system, shall formulate necessary and proper procedures for the identification, collection and exchange of information under this compact.

(c) All licensing boards shall promptly report to the coordinated licensure information system any adverse action, any current significant investigative information, denials of applications (with the reasons for such denials) and nurse participation in alternative programs known to the licensing board regardless of whether such participation is deemed nonpublic or confidential under state law.

(d) Current significant investigative information and participation in nonpublic or confidential alternative programs shall be transmitted through the coordinated licensure information system only to party state licensing boards.

(e) Notwithstanding any other provision of law, all party state licensing boards contributing information to the coordinated licensure information system may designate information that may not be shared with nonparty states or disclosed to other entities or individuals without the express permission of the contributing state.

(f) Any personally identifiable information obtained from the coordinated licensure information system by a party state licensing board shall not be shared with nonparty states or disclosed to other entities or individuals except to the extent permitted by the laws of the party state contributing the information.

(g) Any information contributed to the coordinated licensure information system that is subsequently required to be expunged by the laws of the party state contributing that information shall also be expunged from the coordinated licensure information system.

(h) The compact administrator of each party state shall furnish a uniform data set to the compact administrator of each other party state, which shall include, at a minimum:

1. Identifying information;
2. Licensure data;
3. Information related to alternative program participation; and
4. Other information that may facilitate the administration of this compact, as determined by commission rules.

(i) The compact administrator of a party state shall provide all investigative documents and information requested by another party state.

## ARTICLE VII.

**Establishment of the Interstate Commission of Nurse Licensure Compact Administrators.**

(a) The party states hereby create and establish a joint public entity known as the Interstate Commission of Nurse Licensure Compact Administrators.

1. The commission is an instrumentality of the party states.

2. Venue is proper, and judicial proceedings by or against the commission shall be brought solely and exclusively, in a court of competent jurisdiction where the principal office of the commission is located. The commission may waive venue and jurisdictional defenses to the extent it adopts or consents to participate in alternative dispute resolution proceedings.

3. Nothing in this compact shall be construed to be a waiver of sovereign immunity.

(b) Membership, voting and meetings.

1. Each party state shall have and be limited to one (1) administrator. The head of the state licensing board or designee shall be the administrator of this compact for each party state. Any administrator may be removed or suspended from office as provided by the law of the state from which the administrator is appointed. Any vacancy occurring in the commission shall be filled in accordance with the laws of the party state in which the vacancy exists.

2. Each administrator shall be entitled to one (1) vote with regard to the promulgation of rules and creation of bylaws and shall otherwise have an opportunity to participate in the business and affairs of the commission. An administrator shall vote in person or by such other means as provided in the bylaws. The bylaws may provide for an administrator's participation in meetings by telephone or other means of communication.

3. The commission shall meet at least once during each calendar year.

Additional meetings shall be held as set forth in the bylaws or rules of the commission.

4. All meetings shall be open to the public, and public notice of meetings shall be given in the same manner as required under the rulemaking provisions in Article VIII.

5. The commission may convene in a closed, nonpublic meeting if the commission must discuss:

(i) Noncompliance of a party state with its obligations under this compact;

(ii) The employment, compensation, discipline or other personnel matters, practices or procedures related to specific employees or other matters related to the commission's internal personnel practices and procedures;

(iii) Current, threatened or reasonably anticipated litigation;

- (iv) Negotiation of contracts for the purchase or sale of goods, services or real estate;
- (v) Accusing any person of a crime or formally censuring any person;
- (vi) Disclosure of trade secrets or commercial or financial information that is privileged or confidential;
- (vii) Disclosure of information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;
- (viii) Disclosure of investigatory records compiled for law enforcement purposes;
- (ix) Disclosure of information related to any reports prepared by or on behalf of the commission for the purpose of investigation of compliance with this compact; or
- (x) Matters specifically exempted from disclosure by federal or state statute.

6. If a meeting, or portion of a meeting, is closed pursuant to this provision, the commission's legal counsel or designee shall certify that the meeting may be closed and shall reference each relevant exempting provision. The commission shall keep minutes that fully and clearly describe all matters discussed in a meeting and shall provide a full and accurate summary of actions taken, and the reasons therefor, including a description of the views expressed. All documents considered in connection with an action shall be identified in such minutes. All minutes and documents of a closed meeting shall remain under seal, subject to release by a majority vote of the commission or order of a court of competent jurisdiction.

(c) The commission shall, by a majority vote of the administrators, prescribe bylaws or rules to govern its conduct as may be necessary or appropriate to carry out the purposes and exercise the powers of this compact, including, but not limited to:

1. Establishing the fiscal year of the commission;
2. Providing reasonable standards and procedures:
  - (i) For the establishment and meetings of other committees; and
  - (ii) Governing any general or specific delegation of any authority or function of the commission;
3. Providing reasonable procedures for calling and conducting meetings of the commission, ensuring reasonable advance notice of all meetings and providing an opportunity for attendance of such meetings by interested parties, with enumerated exceptions designed to protect the public's interest, the privacy of individuals, and proprietary information, including trade secrets. The commission may meet in closed session only after a majority of the administrators vote to close a meeting in whole or in part. As soon as practicable, the commission must make public a copy of the vote to close the meeting revealing the vote of each administrator, with no proxy votes allowed;

4. Establishing the titles, duties and authority and reasonable procedures for the election of the officers of the commission;

5. Providing reasonable standards and procedures for the establishment of the personnel policies and programs of the commission. Notwithstanding any civil service or other similar laws of any party state, the bylaws shall exclusively govern the personnel policies and programs of the commission; and

6. Providing a mechanism for winding up the operations of the commission and the equitable disposition of any surplus funds that may exist after the termination of this compact after the payment or reserving of all of its debts and obligations;

(d) The commission shall publish its bylaws and rules, and any amendments thereto, in a convenient form on the website of the commission.

(e) The commission shall maintain its financial records in accordance with the bylaws.

(f) The commission shall meet and take such actions as are consistent with the provisions of this compact and the bylaws.

(g) The commission shall have the following powers:

1. To promulgate uniform rules to facilitate and coordinate implementation and administration of this compact. The rules shall have the force and effect of law and shall be binding in all party states;

2. To bring and prosecute legal proceedings or actions in the name of the commission, provided that the standing of any licensing board to sue or be sued under applicable law shall not be affected;

3. To purchase and maintain insurance and bonds;

4. To borrow, accept or contract for services of personnel, including, but not limited to, employees of a party state or nonprofit organizations;

5. To cooperate with other organizations that administer state compacts related to the regulation of nursing, including, but not limited to, sharing administrative or staff expenses, office space or other resources;

6. To hire employees, elect or appoint officers, fix compensation, define duties, grant such individuals appropriate authority to carry out the purposes of this compact, and to establish the commission's personnel policies and programs relating to conflicts of interest, qualifications of personnel and other related personnel matters;

7. To accept any and all appropriate donations, grants and gifts of money, equipment, supplies, materials and services, and to receive, utilize and dispose of the same; provided that at all times the commission shall avoid any appearance of impropriety or conflict of interest;

8. To lease, purchase, accept appropriate gifts or donations of, or otherwise to own, hold, improve or use, any property, whether real, personal or mixed; provided that at all times the commission shall avoid any appearance of impropriety;

9. To sell, convey, mortgage, pledge, lease, exchange, abandon or otherwise dispose of any property, whether real, personal or mixed;

10. To establish a budget and make expenditures;

11. To borrow money;
12. To appoint committees, including advisory committees comprised of administrators, state nursing regulators, state legislators or their representatives, and consumer representatives, and other such interested persons;
13. To provide and receive information from, and to cooperate with, law enforcement agencies;
14. To adopt and use an official seal; and
15. To perform such other functions as may be necessary or appropriate to achieve the purposes of this compact consistent with the state regulation of nurse licensure and practice.

(h) Financing of the commission.

1. The commission shall pay, or provide for the payment of, the reasonable expenses of its establishment, organization and ongoing activities.

2. The commission may also levy on and collect an annual assessment from each party state to cover the cost of its operations, activities and staff in its annual budget as approved each year. The aggregate annual assessment amount, if any, shall be allocated based upon a formula to be determined by the commission, which shall promulgate a rule that is binding upon all party states.

3. The commission shall not incur obligations of any kind prior to securing the funds adequate to meet the same; nor shall the commission pledge the credit of any of the party states, except by, and with the authority of, such party state.

4. The commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the commission shall be subject to the audit and accounting procedures established under its bylaws. However, all receipts and disbursements of funds handled by the commission shall be audited yearly by a certified or licensed public accountant, and the report of the audit shall be included in and become part of the annual report of the commission.

(i) Qualified immunity, defense and indemnification.

1. The administrators, officers, executive director, employees and representatives of the commission shall be immune from suit and liability, either personally or in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused by or arising out of any actual or alleged act, error or omission that occurred, or that the person against whom the claim is made had a reasonable basis for believing occurred, within the scope of commission employment, duties or responsibilities; provided that nothing in this paragraph shall be construed to protect any such person from suit or liability for any damage, loss, injury or liability caused by the intentional, willful or wanton misconduct of that person.

2. The commission shall defend any administrator, officer, executive director, employee or representative of the commission in any civil action

seeking to impose liability arising out of any actual or alleged act, error or omission that occurred within the scope of commission employment, duties or responsibilities, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of commission employment, duties or responsibilities; provided that nothing herein shall be construed to prohibit that person from retaining his or her own counsel; and provided further that the actual or alleged act, error or omission did not result from that person's intentional, willful or wanton misconduct.

3. The commission shall indemnify and hold harmless any administrator, officer, executive director, employee or representative of the commission for the amount of any settlement or judgment obtained against that person arising out of any actual or alleged act, error or omission that occurred within the scope of commission employment, duties or responsibilities, or that such person had a reasonable basis for believing occurred within the scope of commission employment, duties or responsibilities, provided that the actual or alleged act, error or omission did not result from the intentional, willful or wanton misconduct of that person.

## ARTICLE VIII.

### Rulemaking.

(a) The commission shall exercise its rulemaking powers pursuant to the criteria set forth in this article and the rules adopted thereunder. Rules and amendments shall become binding as of the date specified in each rule or amendment and shall have the same force and effect as provisions of this compact.

(b) Rules or amendments to the rules shall be adopted at a regular or special meeting of the commission.

(c) Prior to promulgation and adoption of a final rule or rules by the commission, and at least sixty (60) days in advance of the meeting at which the rule will be considered and voted upon, the commission shall file a notice of proposed rulemaking:

1. On the website of the commission; and

2. On the website of each licensing board or the publication in which each state would otherwise publish proposed rules.

(d) The notice of proposed rulemaking shall include:

1. The proposed time, date and location of the meeting in which the rule will be considered and voted upon;

2. The text of the proposed rule or amendment, and the reason for the proposed rule;

3. A request for comments on the proposed rule from any interested person; and

4. The manner in which interested persons may submit notice to the commission of their intention to attend the public hearing and any written comments.

(e) Prior to adoption of a proposed rule, the commission shall allow persons to submit written data, facts, opinions and arguments, which shall be made available to the public.

(f) The commission shall grant an opportunity for a public hearing before it adopts a rule or amendment.

(g) The commission shall publish the place, time and date of the scheduled public hearing.

1. Hearings shall be conducted in a manner providing each person who wishes to comment a fair and reasonable opportunity to comment orally or in writing.

All hearings will be recorded, and a copy will be made available upon request.

2. Nothing in this section shall be construed as requiring a separate hearing on each rule. Rules may be grouped for the convenience of the commission at hearings required by this section.

(h) If no one appears at the public hearing, the commission may proceed with promulgation of the proposed rule.

(i) Following the scheduled hearing date, or by the close of business on the scheduled hearing date if the hearing was not held, the commission shall consider all written and oral comments received.

(j) The commission shall, by majority vote of all administrators, take final action on the proposed rule and shall determine the effective date of the rule, if any, based on the rulemaking record and the full text of the rule.

(k) Upon determination that an emergency exists, the commission may consider and adopt an emergency rule without prior notice, opportunity for comment or hearing, provided that the usual rulemaking procedures provided in this compact and in this section shall be retroactively applied to the rule as soon as reasonably possible, in no event later than ninety (90) days after the effective date of the rule. For the purposes of this provision, an emergency rule is one that must be adopted immediately in order to:

1. Meet an imminent threat to public health, safety or welfare;

2. Prevent a loss of commission or party state funds; or

3. Meet a deadline for the promulgation of an administrative rule that is required by federal law or rule.

(l) The commission may direct revisions to a previously adopted rule or amendment for purposes of correcting typographical errors, errors in format, errors in consistency or grammatical errors. Public notice of any revisions shall be posted on the website of the commission. The revision shall be subject to challenge by any person for a period of thirty (30) days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing, and delivered to the commission, prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the commission.

## ARTICLE IX.

**Oversight, dispute resolution and enforcement.****(a) Oversight:**

1. Each party state shall enforce this compact and take all actions necessary and appropriate to effectuate this compact's purposes and intent.

2. The commission shall be entitled to receive service of process in any proceeding that may affect the powers, responsibilities or actions of the commission, and shall have standing to intervene in such a proceeding for all purposes. Failure to provide service of process in such proceeding to the commission shall render a judgment or order void as to the commission, this compact or promulgated rules.

**(b) Default, technical assistance and termination:**

1. If the commission determines that a party state has defaulted in the performance of its obligations or responsibilities under this compact or the promulgated rules, the commission shall:

(i) Provide written notice to the defaulting state and other party states of the nature of the default, the proposed means of curing the default or any other action to be taken by the commission; and

(ii) Provide remedial training and specific technical assistance regarding the default.

2. If a state in default fails to cure the default, the defaulting state's membership in this compact may be terminated upon an affirmative vote of a majority of the administrators, and all rights, privileges and benefits conferred by this compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.

3. Termination of membership in this compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the commission to the Governor of the defaulting state and to the executive officer of the defaulting state's licensing board and each of the party states.

4. A state whose membership in this compact has been terminated is responsible for all assessments, obligations and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.

5. The commission shall not bear any costs related to a state that is found to be in default or whose membership in this compact has been terminated unless agreed upon in writing between the commission and the defaulting state.

6. The defaulting state may appeal the action of the commission by petitioning the United States District Court for the District of Columbia or the federal district in which the commission has its principal offices. The prevailing party shall be awarded all costs of such litigation, including reasonable attorneys' fees.

**(c) Dispute resolution:**

1. Upon request by a party state, the commission shall attempt to resolve disputes related to the compact that arise among party states and between party and nonparty states.

2. The commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes, as appropriate.

3. In the event the commission cannot resolve disputes among party states arising under this compact:

(i) The party states may submit the issues in dispute to an arbitration panel, which will be comprised of individuals appointed by the compact administrator in each of the affected party states and an individual mutually agreed upon by the compact administrators of all the party states involved in the dispute.

(ii) The decision of a majority of the arbitrators shall be final and binding.

**(d) Enforcement:**

1. The commission, in the reasonable exercise of its discretion, shall enforce the provisions and rules of this compact.

2. By majority vote, the commission may initiate legal action in the United States District Court for the District of Columbia or the federal district in which the commission has its principal offices against a party state that is in default to enforce compliance with the provisions of this compact and its promulgated rules and bylaws.

The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorneys' fees.

3. The remedies herein shall not be the exclusive remedies of the commission. The commission may pursue any other remedies available under federal or state law.

## **ARTICLE X.**

### **Effective date, withdrawal and amendment.**

(a) This compact shall become effective and binding on the earlier of the date of legislative enactment of this compact into law by no less than twenty-six (26) states or December 31, 2018. All party states to this compact, that also were parties to the prior Nurse Licensure Compact, superseded by this compact, ("prior compact"), shall be deemed to have withdrawn from the prior compact within six (6) months after the effective date of this compact.

(b) Each party state to this compact shall continue to recognize a nurse's multistate licensure privilege to practice in that party state issued under the prior compact until such party state has withdrawn from the prior compact.

(c) Any party state may withdraw from this compact by enacting a statute repealing the same. A party state's withdrawal shall not take effect until six (6) months after enactment of the repealing statute.

(d) A party state's withdrawal or termination shall not affect the continuing requirement of the withdrawing or terminated state's licensing board to report adverse actions and significant investigations occurring prior to the effective date of such withdrawal or termination.

(e) Nothing contained in this compact shall be construed to invalidate or prevent any nurse licensure agreement or other cooperative arrangement between a party state and a nonparty state that is made in accordance with the other provisions of this compact.

(f) This compact may be amended by the party states. No amendment to this compact shall become effective and binding upon the party states unless and until it is enacted into the laws of all party states.

(g) Representatives of nonparty states to this compact shall be invited to participate in the activities of the commission, on a nonvoting basis, prior to the adoption of this compact by all states.

## ARTICLE XI.

### **Construction and severability.**

This compact shall be liberally construed so as to effectuate the purposes thereof.

The provisions of this compact shall be severable, and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the Constitution of any party state or of the United States, or if the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held to be contrary to the Constitution of any party state, this compact shall remain in full force and effect as to the remaining party states and in full force and effect as to the party state affected as to all severable matters.

**HISTORY:** Laws, 2017, ch. 359, § 1, eff from and after July 20, 2017.

(i) Establish the cost of administration, maintenance, and operation of the program and charge to like agencies a fee based on a formula to be determined by the board with collaboration and input from participating agencies; and

(ii) Assess charges for information and/or statistical data provided to agencies, institutions and individuals. The amounts of those fees shall be set by the Executive Director of the Board of Pharmacy based on the recommendation of the Director of the PMP.

All such fees collected shall be deposited into the special fund of the State Board of Pharmacy and used to support the operations of the PMP.

(g) A dispenser pharmacist or practitioner licensed to dispense controlled substances and specified noncontrolled substance drugs who knowingly fails to submit drug-monitoring information or knowingly submits incorrect dispensing information shall be subject to actions against the pharmacist's or practitioner's license, registrations or permit and/or an administrative penalty as provided in Sections 73-21-97 and 73-21-103. ## JUDICIAL DECISIONS

### 1. Duty to report.

Trial court did not err in granting summary judgment on plaintiffs' claim of defamation because the pharmacist's statements to law enforcement were made in good faith and based on a reasonable belief that plaintiff presenting the prescription was guilty of possessing a

fraudulent prescription and the pharmacist had a duty pursuant to this section to report any activity she reasonably suspected may be fraudulent or illegal to the appropriate law enforcement agency. Pointer v. Rite Aid Headquarters Corp., — So. 3d —, 2021 Miss. App. LEXIS 235 (Miss. Ct. App. June 1, 2021).

However, through June 30, 2014, the term "pharmacy benefit manager" shall not include an insurance company that provides an integrated health benefit plan and that does not separately contract for pharmacy benefit management services. From and after July 1, 2014, the term "pharmacy benefit manager" shall not include an insurance company unless the insurance company is providing services as a pharmacy benefit manager as defined in Section 73-21-179, in which case the insurance company shall be subject to Sections 73-21-151 through 73-21-159 only for those pharmacy benefit manager services. **§ 73-21-155. Most current reference price to be used in calculation of reimbursement for prescription drugs and other products and supplies; updating of reference price; time period for payment of benefits; "clean claim" defined; compliance; penalties; retroactive denial or reduction of claim after adjudication prohibited.**

(1) Reimbursement under a contract to a pharmacist or pharmacy for prescription drugs and other products and supplies that is calculated according to a formula that uses Medi-Span, Gold Standard or a nationally recognized reference that has been approved by the board in the pricing calculation shall use the most current reference price or amount in the actual or constructive possession of the pharmacy benefit manager, its agent, or any other party responsible for reimbursement for prescription drugs and other products and supplies on the date of electronic adjudication or on the date of service shown on the nonelectronic claim.

(2) Pharmacy benefit managers, their agents and other parties responsible for reimbursement for prescription drugs and other products and supplies shall be required to update the nationally recognized reference prices or amounts used for calculation of reimbursement for prescription drugs and other products and supplies no less than every three (3) business days.

(3)(a) All benefits payable under a pharmacy benefit management plan shall be paid within seven (7) days after receipt of due written proof of a clean claim where claims are submitted electronically, and shall be paid within thirty-five (35) days after receipt of due written proof of a clean claim where claims are submitted in paper format. Benefits due under the plan and claims are overdue if not paid within seven (7) days or thirty-five (35) days, whichever is applicable, after the pharmacy benefit manager receives a clean claim containing necessary information essential for the pharmacy benefit manager to administer preexisting condition, coordination of benefits and subrogation provisions under the plan sponsor's health insurance plan. A "clean claim" means a claim received by any pharmacy benefit manager for adjudication and which requires no further information, adjustment or alteration by the pharmacist or pharmacies or the insured in order to be processed and paid by the pharmacy benefit manager. A claim is clean if it has no defect or impropriety, including any lack of substantiating documentation, or particular circumstance requiring special treatment that prevents timely payment from being made on the claim under this subsection. A clean claim includes resubmitted claims with previously identified deficiencies corrected.

(b) A clean claim does not include any of the following:

(i) A duplicate claim, which means an original claim and its duplicate when the duplicate is filed within thirty (30) days of the original claim;

- (ii) Claims which are submitted fraudulently or that are based upon material misrepresentations;
- (iii) Claims that require information essential for the pharmacy benefit manager to administer preexisting condition, coordination of benefits or subrogation provisions under the plan sponsor's health insurance plan; or
- (iv) Claims submitted by a pharmacist or pharmacy more than thirty (30) days after the date of service; if the pharmacist or pharmacy does not submit the claim on behalf of the insured, then a claim is not clean when submitted more than thirty (30) days after the date of billing by the pharmacist or pharmacy to the insured.

(c) Not later than seven (7) days after the date the pharmacy benefit manager actually receives an electronic claim, the pharmacy benefit manager shall pay the appropriate benefit in full, or any portion of the claim that is clean, and notify the pharmacist or pharmacy (where the claim is owed to the pharmacist or pharmacy) of the reasons why the claim or portion thereof is not clean and will not be paid and what substantiating documentation and information is required to adjudicate the claim as clean. Not later than thirty-five (35) days after the date the pharmacy benefit manager actually receives a paper claim, the pharmacy benefit manager shall pay the appropriate benefit in full, or any portion of the claim that is clean, and notify the pharmacist or pharmacy (where the claim is owed to the pharmacist or pharmacy) of the reasons why the claim or portion thereof is not clean and will not be paid and what substantiating documentation and information is required to adjudicate the claim as clean. Any claim or portion thereof resubmitted with the supporting documentation and information requested by the pharmacy benefit manager shall be paid within twenty (20) days after receipt.

(4) If the board finds that any pharmacy benefit manager, agent or other party responsible for reimbursement for prescription drugs and other products and supplies has not paid ninety-five percent (95%) of clean claims as defined in subsection (3) of this section received from all pharmacies in a calendar quarter, he shall be subject to administrative penalty of not more than Twenty-five Thousand Dollars (\$25,000.00) to be assessed by the State Board of Pharmacy.

- (a) Examinations to determine compliance with this subsection may be conducted by the board. The board may contract with qualified, impartial outside sources to assist in examinations to determine compliance. The expenses of any such examinations shall be paid by the pharmacy benefit manager examined.
- (b) Nothing in the provisions of this section shall require a pharmacy benefit manager to pay claims that are not covered under the terms of a contract or policy of accident and sickness insurance or prepaid coverage.
- (c) If the claim is not denied for valid and proper reasons by the end of the applicable time period prescribed in this provision, the pharmacy benefit manager must pay the pharmacy (where the claim is owed to the pharmacy)

or the patient (where the claim is owed to a patient) interest on accrued benefits at the rate of one and one-half percent (1-1/2%) per month accruing from the day after payment was due on the amount of the benefits that remain unpaid until the claim is finally settled or adjudicated. Whenever interest due pursuant to this provision is less than One Dollar (\$1.00), such amount shall be credited to the account of the person or entity to whom such amount is owed.

(d) Any pharmacy benefit manager and a pharmacy may enter into an express written agreement containing timely claim payment provisions which differ from, but are at least as stringent as, the provisions set forth under subsection (3) of this section, and in such case, the provisions of the written agreement shall govern the timely payment of claims by the pharmacy benefit manager to the pharmacy. If the express written agreement is silent as to any interest penalty where claims are not paid in accordance with the agreement, the interest penalty provision of subsection (4)(c) of this section shall apply.

(e) The State Board of Pharmacy may adopt rules and regulations necessary to ensure compliance with this subsection.

(5)(a) For purposes of this subsection (5), "network pharmacy" means a licensed pharmacy in this state that has a contract with a pharmacy benefit manager to provide covered drugs at a negotiated reimbursement rate. A network pharmacy or pharmacist may decline to provide a brand name drug, multisource generic drug, or service, if the network pharmacy or pharmacist is paid less than that network pharmacy's acquisition cost for the product. If the network pharmacy or pharmacist declines to provide such drug or service, the pharmacy or pharmacist shall provide the customer with adequate information as to where the prescription for the drug or service may be filled.

(b) The State Board of Pharmacy shall adopt rules and regulations necessary to implement and ensure compliance with this subsection, including, but not limited to, rules and regulations that address access to pharmacy services in rural or underserved areas in cases where a network pharmacy or pharmacist declines to provide a drug or service under paragraph (a) of this subsection. The board shall promulgate the rules and regulations required by this paragraph (b) not later than October 1, 2016.

(6) A pharmacy benefit manager shall not directly or indirectly retroactively deny or reduce a claim or aggregate of claims after the claim or aggregate of claims has been adjudicated.

**HISTORY:** Laws, 2006, ch. 533, § 33; Laws, 2016, ch. 453, § 1, eff from and after July 1, 2016; Laws, 2020, ch. 395, § 3, eff from and after January 1, 2021.

**Amendment Notes** — The 2020 amendment, effective January 1, 2021, in (1), inserted "Medi-Span, Gold Standard or" and "that has been approved by the board," and deleted "nationally recognized" following "shall use the most current"; in (3), substituted "seven (7) days" for "fifteen (15) days" twice in (a) and once in (c); and added (6).

**§ 73-21-156. Placement of drug on maximum allowable cost list; access, update and notification of update to maximum allowable cost list; administrative appeal procedure for challenge to maximum allowable cost list and reimbursements; reimbursement by pharmacy benefit manager to pharmacy or pharmacist in amount less than reimbursement to pharmacy benefit manager affiliate for same pharmacist services prohibited.**

(1) As used in this section, the following terms shall be defined as provided in this subsection:

(a) "Maximum allowable cost list" means a listing of drugs or other methodology used by a pharmacy benefit manager, directly or indirectly, setting the maximum allowable payment to a pharmacy or pharmacist for a generic drug, brand-name drug, biologic product or other prescription drug. The term "maximum allowable cost list" includes without limitation:

(b) Shall be available for purchase by each pharmacy in the state from national or regional wholesalers operating in Mississippi; and

(c) Shall not be obsolete.

(3) A pharmacy benefit manager shall:

(a) Provide access to its maximum allowable cost list to each pharmacy subject to the maximum allowable cost list;

(b) Update its maximum allowable cost list on a timely basis, but in no event longer than three (3) calendar days; and

(c) Provide a process for each pharmacy subject to the maximum allowable cost list to receive prompt notification of an update to the maximum allowable cost list.

(4) A pharmacy benefit manager shall:

(a) Provide a reasonable administrative appeal procedure to allow pharmacies to challenge a maximum allowable cost list and reimbursements made under a maximum allowable cost list for a specific drug or drugs as:

(ii) If the appeal is denied, provide the challenging pharmacy or pharmacist the National Drug Code and the name of the national or regional pharmaceutical wholesalers operating in Mississippi that have the drug currently in stock at a price below the maximum allowable cost as listed on the maximum allowable cost list; or

(iii) If the National Drug Code provided by the pharmacy benefit manager is not available below the pharmacy acquisition cost from the pharmaceutical wholesaler from whom the pharmacy or pharmacist purchases the majority of prescription drugs for resale, then the pharmacy benefit manager shall adjust the maximum allowable cost as listed on the maximum allowable cost list above the challenging pharmacy's pharmacy acquisition cost and permit the pharmacy to reverse and rebill each claim

affected by the inability to procure the drug at a cost that is equal to or less than the previously challenged maximum allowable cost.

(5)(a) A pharmacy benefit manager shall not reimburse a pharmacy or pharmacist in the state an amount less than the amount that the pharmacy benefit manager reimburses a pharmacy benefit manager affiliate for providing the same pharmacist services.

The board shall destroy or delete or cause to be destroyed or deleted all such information thirty (30) days after the board determines that the information is no longer necessary or useful.

The board may waive the requirements for filing financial information for the pharmacy benefit manager if an affiliate of the pharmacy benefit manager is already required to file such information under current law with the Commissioner of Insurance and allow the pharmacy benefit manager to file a copy of documents containing such information with the board in lieu of the statement required by this section.

(2) A pharmacy, pharmacy benefit manager, or pharmacy benefit manager affiliate licensed or operating in Mississippi shall be prohibited from:

(a) Making referrals;

(b) Transferring or sharing records relative to prescription information containing patient identifiable and prescriber identifiable data to or from a pharmacy benefit manager affiliate for any commercial purpose; however, nothing in this section shall be construed to prohibit the exchange of prescription information between a pharmacy and its affiliate for the limited purposes of pharmacy reimbursement; formulary compliance; pharmacy care; public health activities otherwise authorized by law; or utilization review by a health care provider; or

(c) Presenting a claim for payment to any individual, third-party payor, affiliate, or other entity for a service furnished pursuant to a referral from an affiliate.

(3) This section shall not be construed to prohibit a pharmacy from entering into an agreement with a pharmacy benefit manager affiliate to provide pharmacy care to patients, provided that the pharmacy does not receive referrals in violation of subsection (2) of this section and the pharmacy provides the disclosures required in subsection (1) of this section.

(4) If a pharmacy licensed or holding a nonresident pharmacy permit in this state has an affiliate, it shall annually file with the board a disclosure statement identifying all such affiliates.

(5) In addition to any other remedy provided by law, a violation of this section by a pharmacy shall be grounds for disciplinary action by the board under its authority granted in this chapter.

(6) A pharmacist who fills a prescription that violates subsection (2) of this section shall not be liable under this section.

**HISTORY:** Laws, 2020, ch. 395, § 7, eff from and after January 1, 2021.

**§ 73-21-163. Action for temporary or permanent injunction against pharmacy benefit manager or affiliate to prohibit use of certain methods, acts or practices; monetary penalties for noncompliance with Sections 73-21-151 through 73-21-163; enforcement of payment of penalties; development of uniform penalty policy.**

Whenever the board has reason to believe that a pharmacy benefit manager or pharmacy benefit manager affiliate is using, has used, or is about to use any method, act or practice prohibited in Sections 73-21-151 through

73-21-163 and that proceedings would be in the public interest, it may bring an action in the name of the board against the pharmacy benefit manager or pharmacy benefit manager affiliate to restrain by temporary or permanent injunction the use of such method, act or practice. The action shall be brought in the Chancery Court of the First Judicial District of Hinds County, Mississippi. The court is authorized to issue temporary or permanent injunctions to restrain and prevent violations of Sections 73-21-151 through 73-21-163 and such injunctions shall be issued without bond.

(2) The board may impose a monetary penalty on a pharmacy benefit manager or a pharmacy benefit manager affiliate for noncompliance with the provisions of the Sections 73-21-151 through 73-21-163, in amounts of not less than One Thousand Dollars (\$1,000.00) per violation and not more than Twenty-five Thousand Dollars (\$25,000.00) per violation. Each day a violation continues for the same brand or generic product identifier or brand or generic code number is a separate violation. The board shall prepare a record entered upon its minutes that states the basic facts upon which the monetary penalty was imposed. Any penalty collected under this subsection (2) shall be deposited into the special fund of the board.

(3) The board may assess a monetary penalty for those reasonable costs that are expended by the board in the investigation and conduct of a proceeding if the board imposes a monetary penalty under subsection (2) of this section. A monetary penalty assessed and levied under this section shall be paid to the board by the licensee, registrant or permit holder upon the expiration of the period allowed for appeal of those penalties under Section 73-21-101, or may be paid sooner if the licensee, registrant or permit holder elects. Any penalty collected by the board under this subsection (3) shall be deposited into the special fund of the board.

(4) When payment of a monetary penalty assessed and levied by the board against a licensee, registrant or permit holder in accordance with this section is not paid by the licensee, registrant or permit holder when due under this section, the board shall have the power to institute and maintain proceedings in its name for enforcement of payment in the chancery court of the county and judicial district of residence of the licensee, registrant or permit holder, or if the licensee, registrant or permit holder is a nonresident of the State of Mississippi, in the Chancery Court of the First Judicial District of Hinds County, Mississippi. When those proceedings are instituted, the board shall certify the record of its proceedings, together with all documents and evidence, to the chancery court and the matter shall be heard in due course by the court, which shall review the record and make its determination thereon in accordance with the provisions of Section 73-21-101. The hearing on the matter may, in the discretion of the chancellor, be tried in vacation.

(5) The board shall develop and implement a uniform penalty policy that sets the minimum and maximum penalty for any given violation of Sections 73-21-151 through 73-21-163. The board shall adhere to its uniform penalty policy except in those cases where the board specifically finds, by

majority vote, that a penalty in excess of, or less than, the uniform penalty is appropriate. That vote shall be reflected in the minutes of the board and shall not be imposed unless it appears as having been adopted by the board.

### ORTHOTICS AND PROSTHETICS

#### § 73-22-1. Definitions.

#### JUDICIAL DECISIONS

##### ANALYSIS

1. "Person."
2. Joint venture.

##### 1. "Person."

Miss. Code Ann. § 73-22-3 does not prohibit the association of certified orthotists or prosthetists with non-licensed persons but rather simply requires that whenever a person utilizes an orthotist or prosthetist in connection with the person's business, all patient care must be done under the direct supervision of the certified orthotist or prosthetist. As Miss. Code Ann. § 73-22-1 broadly defines "person" as an individual, corporation, partnership, association, or other organization, and the owners of a joint venture between a medical supply business and a health care provider were licensed to provide orthotic and prosthetic services and all patient care was done under their direct supervi-

sion, the joint venture between the medical supply business and the health care provider was not void as a matter of law. *Patton Med. of Gulf Coast, Inc. v. Relle*, 269 So. 3d 266, 2018 Miss. App. LEXIS 156 (Miss. Ct. App. 2018).

##### 2. Joint venture.

Record contained ample evidence supporting the claims by a medical supply business of a joint venture formed between the medical supply business and a corporate health care provider. Furthermore, a joint venture between the medical supply business and the health care provider was not void as a matter of law as the owners of the health provider were licensed to provide orthotic and prosthetic services and all patient care was done under their direct supervision. *Patton Med. of Gulf Coast, Inc. v. Relle*, 269 So. 3d 266, 2018 Miss. App. LEXIS 156 (Miss. Ct. App. 2018).

At the time of making such application, the applicant shall pay the fee prescribed by the board, no portion of which shall be returned.

Any person who desires to be licensed under this subsection shall take an examination approved by the board and shall obtain a permanent license. If this requirement is not met, the license of the foreign-trained therapist may be revoked.

The temporary license shall be granted for a period not to exceed ninety (90) days. Any physical therapist granted a temporary license under the provisions of this subsection shall restrict his practice to the State of Mississippi and shall be under the direct supervision of a physical therapist licensed in Mississippi (physical therapy assistants shall be under the direct on-site supervision of a Mississippi licensed physical therapist). Documentation verifying the supervision shall be on file with the board before a temporary license is granted.

(2) The board may by rule provide for the issuance of a temporary license to a physical therapist or a physical therapist assistant licensed in another state who is moving into the state and has filed an application with the board for a permanent license in this state. This temporary license will be granted for a period not to exceed sixty (60) days. The issuance of a temporary license to a military-trained applicant, military spouse or person who establishes residence in this state shall be subject to the provisions of Section 73-50-1 or 73-50-2, as applicable.

(3) Any person granted a temporary license who is required to take the approved examination and fails to take the exam as required by the board or

does not pass the required exam shall have the temporary license automatically expire by operation of law and without further action of the board and no license of any type shall be issued until such person has passed an approved examination.

(4) Any person who has taken but not passed the required examination in this or another jurisdiction shall not be eligible for a license of any type until an approved examination is passed.

#### **JUDICIAL DECISIONS**

##### **1. In general.**

Business invitee was offered aid when he became medically distressed with heat stroke, and he was given the opportunity to have emergency medical services called, but he refused assistance; the trial court found that the good-samaritan statute was dispositive of the widow's wrongful-death case, and while the court did not

agree, the widow failed to establish that the business's negligence was the proximate cause of the decedent's death under either theory of liability. *Hawkins v. Heck Yea Quarter Horses, LLC*, 309 So. 3d 1176, 2017 Miss. App. LEXIS 410 (Miss. Ct. App. 2017), aff'd, 249 So. 3d 400, 2018 Miss. LEXIS 324 (Miss. 2018).

**§ 73-25-38. Immunity from liability for physicians, dentists, physician assistants or certified nurse practitioners providing charitable medical care or voluntarily providing health services without fee while assisting with emergency management or operations in an emergency.**

(1) Any licensed physician, dentist, physician assistant or certified nurse practitioner who voluntarily provides needed medical or health services to any person without the expectation of payment due to the inability of such person to pay for such services shall be immune from liability for any civil action arising out of the provision of such medical or health services provided in good faith on a charitable basis. This section shall not extend immunity to acts of willful or gross negligence. Except in cases of rendering emergency care in which the provisions of Section 73-25-37 apply, immunity under this section shall be extended only if the physician, dentist, physician assistant or certified nurse practitioner and patient execute a written waiver in advance of the rendering of such medical or health services specifying that such services are provided without the expectation of payment and that the licensed physician, dentist, physician assistant or certified nurse practitioner shall be immune as provided in this subsection. The immunity from liability granted by this subsection also shall extend to actions arising from a church-operated outpatient medical clinic that exists solely for the purpose of providing charitable medical services to persons who are unable to pay for such services, provided that the outpatient clinic receives less than Forty Thousand Dollars (\$40,000.00) annually in patient payments.

(2) Any licensed physician, dentist, physician assistant or certified nurse practitioner assisting with emergency management, emergency operations or hazard mitigation in response to any emergency, man-made or natural disaster, who voluntarily provides needed medical or health services to any person without fee or other compensation, shall not be liable for civil damages on the basis of any act or omission if the physician, dentist, physician assistant or nurse practitioner was acting in good faith and within the scope of their license, education and training and the acts or omissions were not caused from gross, willful or wanton acts of negligence.

(3) Any physician who voluntarily renders any medical service under a special volunteer medical license authorized under Section 73-25-18 without any payment or compensation or the expectation or promise of any payment or compensation shall be immune from liability for any civil action arising out of any act or omission resulting from the rendering of the medical service unless the act or omission was the result of the physician's gross negligence or willful misconduct. In order for the immunity under this subsection to apply, there must be a written or oral agreement for the physician to provide a voluntary noncompensated medical service before the rendering of the service by the physician.

(4) Any licensed physician, or any physician who is retired from active practice and who has been previously issued an unrestricted license to practice

medicine in any state of the United States or who has been issued a special volunteer medical license under Section 73-25-18, shall be immune from liability for any civil action arising out of any medical care or treatment provided while voluntarily serving as "doctor of the day" for members of the Mississippi State Legislature, legislative or other state employees, or any visitors to the State Capitol on the date of such service. This subsection shall not extend immunity to acts of willful or gross negligence or misconduct.

### § 73-31-13. Licensing; applications; qualifications; examinations [Repealed effective July 1, 2025].

The board shall issue a license as a psychologist to each applicant who files an application upon a form and in the manner as the board prescribes, accompanied by the fee as is required by this chapter; and who furnishes evidence satisfactory to the board that he or she:

(a) Is at least twenty-one (21) years of age; and

(b) Is of good moral character. The applicant must have successfully been cleared for licensure through an investigation that consists of a determination as to good moral character and verification that the prospective licensee is not guilty of or in violation of any statutory ground for denial of licensure. For the purposes of this chapter, good moral character includes an absence of felony convictions or misdemeanor convictions involving moral turpitude as established by a criminal background check. Applicants shall undergo a fingerprint-based criminal history records check of the Mississippi central criminal database and the Federal Bureau of Investigation criminal history database. Each applicant shall submit a full set of the applicant's fingerprints in a form and manner prescribed by the board, which shall be forwarded to the Mississippi Department of Public Safety (department) and the Federal Bureau of Investigation Identification Division for this purpose; and

(c) Is not in violation of any of the provisions of this chapter and the rules and regulations adopted under this chapter, and is not currently under investigation by another licensure board; and

(d) Holds a doctoral degree in psychology from an institution of higher education that is: regionally accredited by an accrediting body recognized by the United States Department of Education, or authorized by Provincial statute or Royal Charter to grant doctoral degrees. From a program accredited by the American Psychological Association, or the Canadian Psychological Association, and from a program that requires at least one (1) year of continuous, full-time residence at the educational institution granting the doctoral degree. For graduates from newly established programs seeking accreditation or in areas where no accreditation exists, applicants for licensure shall have completed a doctoral program in psychology that meets recognized acceptable professional standards as determined by the board. For applicants graduating from doctoral level psychology training programs outside of the United States of America or Canada, applicants for licensure shall have completed a doctoral program in psychology that meets recognized acceptable professional standards as determined by the board; and

(e) Has completed a supervised internship from a program accredited by the American Psychological Association or the Canadian Psychological Association that meet the standards of training as defined by the board. The internship shall be comprised of at least one thousand eight hundred (1,800) hours of actual work, to include direct service, training and supervisory time; and

(f) Demonstrates professional knowledge by passing written (as used in this paragraph, the term "written" means either paper and pencil or computer-administered or computerized testing) and oral examinations in psychology prescribed by the board; except that upon examination of credentials, the board may, by unanimous consent, consider these credentials adequate evidence of professional knowledge.

Upon investigation of the application and other evidence submitted, the board shall, not less than thirty (30) days before the examination, notify each applicant that the application and evidence submitted is satisfactory and accepted or unsatisfactory and rejected; if rejected, the notice shall state the reasons for the rejection.

The place of examination shall be designated in advance by the board, and the examination shall be given at such time and place and under such supervision as the board may determine. The examination used by the board shall consist of written tests and oral tests, and shall fairly test the applicant's knowledge and application thereof in those areas deemed relevant by the board. All examinations serve the purpose of verifying that a candidate for licensure has acquired a basic core of knowledge in the discipline of psychology and can apply that knowledge to the problems confronted in the practice of psychology within the applicant's area of practice.

The board shall evaluate the results from both the written and oral examinations. The passing scores for the written and oral examinations shall

be established by the board in its rules and regulations. If an applicant fails to receive a passing score on the entire examination, he or she may reapply and shall be allowed to take a later examination. An applicant who has failed two (2) successive examinations by the board may not reapply until after two (2) years from the date of the last examination failed. The board shall keep the written examination scores, and an accurate transcript of the questions and answers relating to the oral examinations, and the grade assigned to each answer thereof, as part of its records for at least two (2) years after the date of examination.

Each application or filing made under this section shall include the social security number(s) of the applicant in accordance with Section 93-11-64.

The board may charge a reasonable fee for evaluating these credentials and the applicant’s knowledge” and by making a minor grammatical correction.

The 2021 amendment reenacted and amended the section by rewriting (e), which read: “Has two (2) years of supervised experience in the same area of emphasis as the academic degree, which includes an internship and one (1) year of supervised post-doctoral experience, that meet the standards of training as defined by the board. Each year (or equivalent) shall be comprised of at least one thousand eight hundred (1,800) hours of actual work, to include direct service, training and supervisory time. Section 27 of Chapter 398, Laws of 2021, effective from and after July 1, 2021 (approved March 25, 2021), amended this section. As set out above, this section

reflects the language of Section 27 of Chapter 398, Laws of 2021, pursuant to Section 1-3-79, which provides that whenever the same section of law is amended by different bills during the same legislative session, and the effective dates of the amendments are the same, the amendment with the latest approval date shall supersede all other amendments to the same section approved on an earlier date.

**Amendment Notes** — The 2018 amendment reenacted and amended the section by rewriting (1), which read: “Upon application accompanied by the proper fee, the board may, without written or oral examination, issue a license to any person who furnishes, upon a form and in the manner as the board prescribes, evidence satisfactory to the board that he or she (a) is licensed or certified as a psychologist by another state, territorial possession of the United States, District of Columbia, Commonwealth of Puerto Rico or Canadian Province, if the requirements for that license or certification are the substantial equivalent of this chapter; or (b) is a diplomate in good standing of the American Board of Examiners in Professional Psychology; or (c) possesses a valid Certificate of Professional Qualification (CPQ) granted by the Association of State and Provincial Psychology Boards,” by deleting the former introductory paragraph of (2), which read: “In addition, the board may issue a license, without written examination, to an applicant who,” by deleting the former (2)(a) designation preceding “Has at least,” and adding the paragraph to the end of (1), by redesignating former (2)(b) through (d) as present (1)(a) through (c), by adding “jurisprudence examination” at the end of (1)(c), by deleting former (2)(e), which read: “Has completed the appropriate application and paid the fees as required by the board,” and by redesignating former (3) as (2).

The first 2021 amendment (ch. 306) reenacted the section without change.

The second 2021 amendment (ch. 398), in (2), inserted “or person who establishes residence in this state” and made a related change, and added “or 73-50-2, as applicable” at the end.

**§ 73-31-21. Licenses; revocation or suspension; grounds; hearing; issuance of nondisciplinary educational letter [Repealed effective July 1, 2025].**

(1) The board, by an affirmative vote of at least four (4) of its seven (7) members, shall withhold, deny, revoke or suspend any license issued or applied for in accordance with the provisions of this chapter, or otherwise discipline a licensed psychologist, upon proof that the applicant or licensed psychologist:

- (a) Has violated the current code of ethics of the American Psychological Association or other codes of ethical standards adopted by the board; or
- (b) Has been convicted of a felony or any offense involving moral turpitude, the record of conviction being conclusive evidence thereof; or
- (c) Is using any substance or any alcoholic beverage to an extent or in a manner dangerous to any other person or the public, or to an extent that the use impairs his or her ability to perform the work of a professional psychologist with safety to the public; or
- (d) Has impersonated another person holding a psychologist license or allowed another person to use his or her license; or
- (e) Has used fraud or deception in applying for a license or in taking an examination provided for in this chapter; or
- (f) Has accepted commissions or rebates or other forms of remuneration for referring clients to other professional persons; or
- (g) Has performed psychological services outside of the area of his or her training, experience or competence; or
- (h) Has allowed his or her name or license issued under this chapter to be used in connection with any person or persons who perform psychological services outside of the area of their training, experience or competence; or
- (i) Is legally adjudicated mentally incompetent, the record of that adjudication being conclusive evidence thereof; or
- (j) Has willfully or negligently violated any of the provisions of this chapter. The board may recover from any person disciplined under this chapter, the costs of investigation, prosecution, and adjudication of the disciplinary action.

(2) Notice shall be effected by registered mail or personal service setting forth the particular reasons for the proposed action and fixing a date not less than thirty (30) days nor more than sixty (60) days from the date of the mailing or that service, at which time the applicant or licensee shall be given an opportunity for a prompt and fair hearing. For the purpose of the hearing, the board, acting by and through its executive secretary, may subpoena persons and papers on its own behalf and on behalf of the applicant or licensee, may administer oaths and may take testimony. That testimony, when properly transcribed, together with the papers and exhibits, shall be admissible in

evidence for or against the applicant or licensee. At the hearing, the applicant or licensee may appear by counsel and personally in his or her own behalf. Any person sworn and examined by a witness in the hearing shall not be held to answer criminally, nor shall any papers or documents produced by the witness be competent evidence in any criminal proceedings against the witness other than for perjury in delivering his or her evidence. On the basis of any such hearing, or upon default of applicant or licensee, the board shall make a determination specifying its findings of fact and conclusions of law. A copy of that determination shall be sent by registered mail or served personally upon the applicant or licensee. The decision of the board denying, revoking or suspending the license shall become final thirty (30) days after so mailed or served, unless within that period the applicant or licensee appeals the decision to the chancery court, under the provisions hereof, and the proceedings in chancery shall be conducted as other matters coming before the court. All proceedings and evidence, together with exhibits, presented at the hearing before the board shall be admissible in evidence in court in the appeal.

(3) The board may subpoena persons and papers on its own behalf and on behalf of the respondent, may administer oaths and may compel the testimony of witnesses. It may issue commissions to take testimony, and testimony so taken and sworn to shall be admissible in evidence for and against the respondent. The board shall be entitled to the assistance of the chancery court or the chancellor in vacation, which, on petition by the board, shall issue ancillary subpoenas and petitions and may punish as for contempt of court in the event of noncompliance therewith.

(4) Every order and judgment of the board shall take effect immediately on its promulgation unless the board in the order or judgment fixes a probationary period for the applicant or licensee. The order and judgment shall continue in effect unless upon appeal the court by proper order or decree terminates it earlier. The board may make public its order and judgments in any manner and form as it deems proper. It shall, in event of the suspension or revocation of a license, direct the clerk of the circuit court of the county in which that license was recorded to cancel that record.

(5) Nothing in this section shall be construed as limiting or revoking the authority of any court or of any licensing or registering officer or board, other than the Mississippi Board of Psychology, to suspend, revoke and reinstate licenses and to cancel registrations under the provisions of Section 41-29-311.

(6) Suspension by the board of the license of a psychologist shall be for a period not exceeding one (1) year. At the end of this period the board shall reevaluate the suspension, and shall either reinstate or revoke the license. A person whose license has been revoked under the provisions of this section may reapply for a license after more than two (2) years have elapsed from the date that the denial or revocation is legally effective.

(7) In addition to the reasons specified in subsection (1) of this section, the board shall be authorized to suspend the license of any licensee for being out of compliance with an order for support, as defined in Section 93-11-153. The procedure for suspension of a license for being out of compliance with an order

for support, and the procedure for the reissuance or reinstatement of a license suspended for that purpose, and the payment of any fees for the reissuance or reinstatement of a license suspended for that purpose, shall be governed by Section 93-11-157. Actions taken by the board in suspending a license when required by Section 93-11-157 or 93-11-163 are not actions from which an appeal may be taken under this section. Any appeal of a license suspension that is required by Section 93-11-157 or 93-11-163 shall be taken in accordance with the appeal procedure specified in Section 93-11-157 or 93-11-163, as the case may be, rather than the procedure specified in this section. If there is any conflict between any provision of Section 93-11-157 or 93-11-163 and any provision of this chapter, the provisions of Section 93-11-157 or 93-11-163, as the case may be, shall control.

(8) The board may issue a nondisciplinary, educational letter to licensees as provided in Section 73-31-7(2)(g). The board may also direct a psychologist to obtain a formal assessment of ability to practice safely if there is reason to believe there may be impairment due to substance abuse or mental incapacity. Licensees who may be impaired, but who are able to practice safely, may be required by the board to seek appropriate treatment and/or supervision. That action by the board in itself will not be considered disciplinary.

**§ 73-35-7. Qualifications for license.**

Licenses shall be granted only to persons who present, and to corporations, partnerships, companies or associations whose officers, associates or partners present satisfactory proof to the commission that they are trustworthy and competent to transact the business of a real estate broker or real estate salesperson in such manner as to safeguard the interests of the public. Except as otherwise provided in this section, every person who applies for a resident license as a real estate broker: (a) shall be age twenty-one (21) years or over, and have his legal domicile in the State of Mississippi at the time he applies; (b) shall be subject to the jurisdiction of this state, subject to the income tax laws and other excise laws thereof, subject to the road and bridge privilege tax laws thereof; (c) shall not be an elector in any other state; (d) shall have held a license as an active real estate salesperson for twelve (12) months prior to making application for the broker's examination hereafter specified; (e) shall have successfully completed a minimum of one hundred twenty (120) hours of courses in real estate as hereafter specified; (f) shall have successfully completed the real estate broker's examination as hereafter specified; and (g) shall have successfully been cleared for licensure by the commission's background investigation as provided in Section 73-35-10; and (h) sign a form under penalty of perjury stating that the applicant will not hire any real estate salespersons for thirty-six (36) months from the date of approval of his or her active real estate salesperson's license. The real estate commission shall create a standard form to comply with the requirements of this section. Upon completion of such restriction provided in this paragraph (h) of this section, the real estate broker is authorized to employ any number of real estate salespersons.

The provisions of paragraph (h) shall not apply to an applicant who seeks to hire a real estate salesperson in less than thirty-six (36) months from the date of approval of his or her active real estate salesperson's license. Any person who desires to hire a real estate salesperson in less than thirty-six (36) months from the date of approval of his or her active real estate salesperson's license shall: (a) be age twenty-one (21) years or over, and have his or her legal domicile in the State of Mississippi at the time he or she applies; (b) be subject to the jurisdiction of this state, subject to the income tax laws and other excise laws thereof, subject to the road and bridge privilege tax laws thereof; (c) not be an elector in any other state; (d) have held a license as an active real estate salesperson for thirty-six (36) months prior to making application for the broker's examination hereafter specified; (e) have successfully completed a minimum of one hundred twenty (120) hours of courses in real estate as hereafter specified; (f) have successfully completed the real estate broker's examination as hereafter specified; and (g) have successfully been cleared for

licensure by the commission's background investigation as provided in Section 73-35-10.

An applicant who has not held an active real estate salesperson's license for a period of at least thirty-six (36) months prior to submitting an application shall have successfully completed a minimum of one hundred fifty (150) classroom hours in real estate courses, which courses are acceptable for credit toward a degree at a college or university as approved by the Southern Association of Colleges and Schools.

Every applicant for a resident license as a real estate salesperson shall be age eighteen (18) years or over, shall be a bona fide resident of the State of Mississippi prior to filing his application, shall have successfully completed a minimum of sixty (60) hours in courses in real estate as hereafter specified, and shall have successfully completed the real estate salesperson's examination as hereafter specified.

The residency requirements set forth in this section shall not apply to those licensees of other states who qualify and obtain nonresident licenses in this state.

The commission is authorized to exempt from such prelicensing educational requirements, in whole or in part, a real estate licensee of another state who desires to obtain a license under this chapter, provided that the prelicensing educational requirements in the other state are determined by the commission to be equivalent to prelicensing educational requirements in this state and provided that such state extends this same privilege or exemption to Mississippi real estate licensees. The issuance of a license by reciprocity to a military-trained applicant, military spouse or person who establishes residence in this state shall be subject to the provisions of Section 73-50-1 or 73-50-2, as applicable.

(1) Every applicant for a real estate broker's license shall apply therefor in writing upon blanks prepared by the commission and shall provide such data and information as the commission may require.

(2) Such application shall be accompanied by the recommendation of at least three (3) citizens who have been property owners for at least three (3) years, who have known the applicant for three (3) years, and who are not related to the applicant, certifying that the applicant bears a good reputation for honesty and trustworthiness and recommending that a license be granted to the applicant.

(3) Every applicant for a salesperson's license shall apply therefor in writing upon blanks prepared by the commission and shall provide such data and information as the commission may require.

(4) Each application for license shall also be accompanied by two (2) photographs of the applicant in such form as the commission may prescribe.

(5) Each application or filing made under this section shall include the social security number(s) of the applicant in accordance with Section 93-11-64.

(6) Beginning on July 1, 2019, each application for a license made under this section must include a current email address for the applicant.

**HISTORY:** Codes, 1942, § 8920-05; Laws, 1954, ch. 318, § 5; reenacted, Laws, 1980, ch. 499, § 5; Laws, 1988, ch. 477, § 5; Laws, 1997, ch. 588, § 59; Laws, 2008, ch. 399, § 1, eff from and after passage (approved Mar. 31, 2008); Laws, 2019, ch. 339, § 1, eff from and after July 1, 2019.

**Amendment Notes** — The 2019 amendment deleted "Mississippi Code of 1972" from the end of (5); and added (6).

### **§ 73-35-13. Written examination requirement; exemption for licensee of another state; reciprocity.**

(1) In addition to proof of his honesty, trustworthiness and good reputation, the applicant shall take a written examination which shall be held at least four (4) times each year at regular intervals and on stated times by the commission and shall test reading, writing, spelling, elementary arithmetic and his general knowledge of the statutes of this state relating to real property, deeds, mortgages, agreements of sale, agency, contract, leases, ethics, appraisals, the provisions of this chapter and such other matters the commission certifies as necessary to the practice of real estate brokerage in the State of Mississippi. The examination for a broker's license shall differ from the examination for a salesperson's license, in that it shall be of a more exacting nature and require higher standards of knowledge of real estate. The commission shall cause examinations to be conducted at such times and places as it shall determine.

(2) In event the license of any real estate broker or salesperson is revoked by the commission subsequent to the enactment of this chapter, no new license shall be issued to such person unless he complies with the provisions of this chapter.

(3) No person shall be permitted or authorized to act as a real estate broker or salesperson until he has qualified by examination, except as hereinbefore provided. Any individual who fails to pass the examination for salesperson upon two (2) occasions, shall be ineligible for a similar examina-

tion, until after the expiration of three (3) months from the time such individual last took the examination. Any individual who fails to pass the broker's examination upon two (2) occasions, shall be ineligible for a similar examination until after the expiration of six (6) months from the time such individual last took the examination, and then only upon making application as in the first instance.

(4) If the applicant is a partnership, association or corporation, the examination shall be taken on behalf of the partnership, association or corporation by the member or officer thereof who is designated in the application as the person to receive a license by virtue of the issuing of a license to such partnership, association or corporation.

(5) Upon satisfactorily passing such examination and upon complying with all other provisions of law and conditions of this chapter, a license shall thereupon be issued to the successful applicant who, upon receiving such license, is authorized to conduct the business of a real estate broker or real estate salesperson in this state.

(6) The commission is authorized to exempt from such examination, in whole or in part, a real estate licensee of another state who desires to obtain a license under this chapter, provided that the examination administered in the other state is determined by the commission to be equivalent to such examination given in this state and provided that such other state extends this same privilege or exemption to Mississippi real estate licensees. The issuance of a license by reciprocity to a military-trained applicant, military spouse or person who establishes residence in this state shall be subject to the provisions of Section 73-50-1 or 73-50-2, as applicable.

**HISTORY:** Codes, 1942, § 8920-07; Laws, 1954, ch. 318, § 7; Laws, 1955 Ex. **Amendment Notes** — The 2021 amendment, in the last sentence of (6), inserted "or person who establishes residence in this state" and made a related change, and added "or 73-50-2, as applicable" at the end.

### **§ 73-35-18. License renewal; continuing education requirements; exemptions; email address required; rules and regulations.**

(1) Each individual applicant for renewal of a license issued by the Mississippi Real Estate Commission shall, on or before the expiration date of his license, or at a time directed by the commission, submit proof of completion of not less than sixteen (16) clock hours of approved course work to the commission, in addition to any other requirements for renewal. The sixteen (16) clock hours' course work requirement shall apply to each two-year license renewal, and hours in excess thereof shall not be cumulated or credited for the purposes of subsequent license renewals except as provided in this subsection

(1). The commission shall develop standards for approval of courses and shall require certification of such course work of the applicant. The commission may determine any required subject matter within the mandated sixteen (16) hours; provided that the required subjects shall not exceed eight (8) hours of the total sixteen (16) hours. Approved continuing education hours earned in the final three (3) months of a licensee's renewal period, if in excess of the required minimum sixteen (16) hours, may be carried over and credited to the next renewal period. However, no more than six (6) hours may be carried over in this manner. Any member of the Mississippi Legislature who has a real estate license shall be credited with eight (8) hours of credit for the attendance of each year of a legislative session. No person may receive continuing education credit for prelicense education courses taken, except as follows: a licensee whose license is on inactive status and whose continuing education credits are at least thirty (30) hours in arrears may, at the discretion of the commission, receive continuing education credit for retaking prelicense course-work, provided the entire prelicense course is retaken.

(2) This section shall apply to renewals of licenses which expire on and after July 1, 1994; however, an applicant for first renewal who has been licensed for not more than one (1) year shall not be required to comply with this section for the first renewal of the applicant's license. The provisions of this section shall not apply to persons who have held a broker's or salesperson's license in this state for at least twenty-five (25) years and who are older than seventy (70) years of age. Inactive licensees are not required to meet the real estate continuing education requirements specified in this section; however, such inactive licensees, before activating their license to active status, must cumulatively meet requirements missed during the period their license was inactive.

(3) A renewal of a license issued by the commission which expires after June 30, 2019, must include a current email address for the applicant. Any email address previously provided by an applicant to the commission which is no longer valid or the primary email address of the applicant must be updated when a renewal application is submitted under this section.

(4) The commission shall promulgate rules and regulations as necessary to accomplish the purposes of this section in accordance with the Mississippi Administrative Procedures Law.

(5) [Repealed]

**Amendment Notes** — The 2019 amendment added (3) and redesignated former (3) and (4) as (4) and (5).

## § 73-35-21. Grounds for refusing to issue or suspending or revoking license; hearing.

### JUDICIAL DECISIONS

#### 6. Bad faith, incompetency or untrustworthiness, or dishonest, fraudulent or improper dealing.

It was error to sanction a real estate broker for improper dealing because the broker's expressions of concerns about a certain appraiser and inquiry about the

broker's client's options if the appraiser were selected were not statutory violations, particularly as the broker said the broker did not object to any other qualified appraiser. *McIntosh v. Miss. Real Estate Comm'n*, 233 So. 3d 214, 2017 Miss. LEXIS 205 (Miss. 2017).

## § 73-35-33. License required to sue for compensation; suit by salesperson in own name.

### JUDICIAL DECISIONS

#### 1. In general.

Although appellant argued that the statute allowed him to file suit against a broker who had not paid him, because there was no evidence that appellee intended or did assign any broker's commissions to appellant, the court left open for

another day whether Mississippi law allowed the assignment of such commissions. *Pierce Realty, Inc. v. Pierce*, 311 So. 3d 1216, 2020 Miss. App. LEXIS 352 (Miss. Ct. App. 2020), cert. denied, 310 So. 3d 831, 2021 Miss. LEXIS 44 (Miss. 2021).

## § 73-35-35. Commission to adopt rules and regulations; notice of rule or regulation change or adoption.

(1) The commission may act by a majority of the members thereof, and authority is hereby given to the commission to adopt, fix and establish all rules and regulations in its opinion necessary for the conduct of its business, the holdings of hearings before it, and otherwise generally for the enforcement and administration of the provisions of this chapter.

Further, the commission is empowered with the authority to adopt such rules and regulations as it deems appropriate to regulate the sale of timesharing and condominium properties within the State of Mississippi and the sale of timesharing and condominium properties in other states to residents of Mississippi.

(2) Beginning on July 1, 2019, the commission shall provide notice by email to each real estate broker and real estate salesperson who has provided an email address to the commission under Section 73-35-9 or 73-35-18 of each proposed rule or regulation change or adoption. The notice required under this subsection must be given on no less than three (3) separate occasions during the notice period prescribed under the Mississippi Administrative Procedures Law (Chapter 43, Title 25, Mississippi Code of 1972).

**HISTORY: Codes, 1942, § 8920-18; Laws, 1954, ch. 318, § 18; reenacted, Laws,**

1980, ch. 499, § 18; Laws, 1983, ch. 476, § 4, eff from and after July 1, 1983; Laws, 2019, ch. 339, § 3, eff from and after July 1, 2019.

**Amendment Notes** — The 2019 amendment designated the former first two paragraphs (1); and added (2).

## JUDICIAL DECISIONS

### 1. No rules prohibiting broker's conduct.

It was error to sanction a real estate broker for refusing to cooperate with an appraiser to whom the broker objected

because no rules or regulations adopted by the Mississippi Real Estate Commission clearly prohibited this conduct. *McIntosh v. Miss. Real Estate Comm'n*, 233 So. 3d 214, 2017 Miss. LEXIS 205 (Miss. 2017).

## CHAPTER 36.

### REGISTERED FORESTERS

Sec.

73-36-31. Reciprocity.

### § 73-36-31. Reciprocity.

A person not a resident of and having no established place of business in Mississippi, or who has recently become a resident, may use the title of registered forester in Mississippi, provided: (a) such person is legally licensed as a registered forester in his own state or county and has submitted evidence to the board that he is so licensed and that the requirements for registration are at least substantially equivalent to the requirements of this chapter; and (b) the state or county in which he is so licensed observes these same rules of reciprocity in regard to persons licensed under this chapter. Each person seeking the privileges of reciprocity granted under this chapter shall submit his application to the board and must receive a card or certificate from the board before exercising such privileges. The fee for obtaining a license through reciprocity shall be the same as charged a Mississippi licensee. The issuance of a license by reciprocity to a military-trained applicant, military spouse or person who establishes residence in this state shall be subject to the provisions of Section 73-50-1 or 73-50-2, as applicable.

(1) The board may waive the examination for licensure of any applicant who presents proof of current licensure in another state, including the District of Columbia, or territory of the United States which maintains professional standards considered by the council to be equivalent to those set forth in this chapter. The issuance of a license by reciprocity to a military-trained applicant, military spouse or person who establishes residence in this state shall be subject to the provisions of Section 73-50-1 or 73-50-2, as applicable.

**Editor's Notes** — This section was reenacted without change by Laws of 2020, ch. 473, § 51. Since the language of the section as it appears in the main volume is unaffected by the reenactment of the section, it is not reprinted in this supplement.

Section 65 of Chapter 510, Laws of 2019, which was the repealer for this section, and which was to have become effective July 1, 2020, was repealed by Section 65 of Chapter 473, Laws of 2020, effective July 1, 2020.

73-50-2. Universal Recognition of Occupational Licenses Act; requirements for licensure; temporary practice permit; appeal; applicability of section.

**§ 73-50-1. Military Family Freedom Act; issuance of license, by occupational licensing board to a military-applicant or spouse or dependent to lawfully practice occupation in Mississippi under certain circumstances; temporary practice permit; appeal of decisions of occupational licensing board; preemption of local ordinances regulating licenses.**

(1) This section shall be known as the “Military Family Freedom Act.”

(2) As used in this section, the term:

(a) "License" means any license (other than a privilege license), certificate, registration or other evidence of qualification that an individual is required to obtain before he or she may engage in or represent himself or herself to be a member of a particular profession or occupation.

(b) "Occupational licensing board" means any state board, commission, department or other agency in Mississippi that is established for the primary purpose of regulating the entry of persons into, and/or the conduct of persons within, a particular profession or occupation, and which is authorized to issue licenses. For the purposes of this section, the State Department of Education shall be considered an occupational licensing board when issuing teacher licenses under Section 37-3-2.

(c) "Military" means the Armed Forces or Reserves of the United States, including the Army, Navy, Marine Corps, Coast Guard, Air Force, and the reserve components thereof, the National Guard of any state, the military reserves of any state, or the naval militia of any state.

(3) Notwithstanding any other provision of law, an occupational licensing board shall issue a license to an applicant who is a member of the military, or an applicant who is married to or is a dependent of a member of the military, if, upon application to an occupational licensing board, the applicant satisfies the following conditions:

(a) The applicant has been awarded a military occupational specialty, completed a military program of training, completed testing or equivalent training and experience, and performed in the occupational specialty; or

(b) The applicant holds a current and valid license in another state in an occupation with a similar scope of practice, as determined by the occupational licensing board in Mississippi and has held this license from the occupational licensing board in the other state for at least one (1) year; and

(c) The applicant has not committed any act in the other state that would have constituted grounds for refusal, suspension or revocation of a license to practice that occupation in Mississippi at the time the act was committed, the occupational licensing board in the other state holds the applicant in good standing, and the applicant does not have a disqualifying criminal record as determined by the occupational licensing board in Mississippi under Mississippi law; and

(d) The applicant did not surrender a license because of negligence or intentional misconduct related to the applicant's work in the occupation in another state; and

(e) The applicant does not have a complaint, allegation or investigation pending before an occupational licensing board or other board in another state that relates to unprofessional conduct or an alleged crime. If the applicant has a complaint, allegation or investigation pending, the occupational licensing board in Mississippi shall not issue or deny a license to the applicant until the complaint, allegation or investigation is resolved, or the applicant otherwise satisfies the criteria for licensure in Mississippi to the satisfaction of the occupational licensing board in Mississippi; and

(f) The applicant pays all applicable fees in Mississippi.

(4) Notwithstanding any other law, the occupational licensing board shall issue a license to an applicant who is a member of the military, or an applicant who is married to or is a dependent of a member of the military, upon application based on work experience in another state, if all the following apply:

(a) The applicant worked in a state that does not use a license to regulate a lawful occupation, but Mississippi uses a license to regulate a lawful occupation with a similar scope of practice, as determined by the occupational licensing board;

(b) The applicant worked for at least three (3) years in the lawful occupation; and

(c) The applicant satisfies the provisions of paragraphs (c) through (f) of subsection (3) of this section.

(5) An occupational licensing board may require an applicant to pass a jurisprudential examination specific to relevant state laws in Mississippi that regulate the occupation if the issuance of a license in Mississippi requires an applicant to pass a jurisprudential examination specific to relevant state statutes and administrative rules in Mississippi that regulate the occupation.

(6) The occupational licensing board shall issue or deny the license to the applicant within one hundred twenty days (120) days after receiving an application.

If the application requires longer than two (2) weeks to process, the occupational licensing board shall issue a temporary practice permit within thirty (30) days after receiving the application if the applicant submits an affidavit, under penalties of perjury, affirming that he or she satisfies the provisions of subsection (3)(a) or subsection (3)(b) of this section and subsection (3)(c) through (e) and pays all applicable fees as required by subsection (3)(f), or satisfies the provisions of subsection (4)(a) through (c) and pays all applicable fees as required by subsection (3)(f).

The applicant may practice under the temporary permit until a license is granted, or until a notice to deny the license is issued, in accordance with rules adopted by the occupational licensing board. A temporary license will expire in three hundred sixty-five (365) days after its issuance if the applicant fails to satisfy the requirement for licensure in subsection (5), if applicable.

(7)(a) The applicant may appeal any of the following decisions of an occupational licensing board to a court of general jurisdiction:

(i) Denial of a license;

(ii) Determination of the occupation;

(iii) Determination of the similarity of the scope of practice of the license issued; or

(iv) Other determinations under this section.

(b) The court shall determine all questions of law, including the interpretation of a constitutional or statutory provision or a rule adopted by an occupational licensing board, without regard to any previous determination that may have been made on the question in any action before the occupational licensing board.

(8) An occupational licensing board shall prominently print the following on all license applications, any communication denying a license, and on the board's website: "Pursuant to the provisions of the Military Family Freedom Act, Mississippi shall recognize occupational licenses obtained from other states for military members and their families." An occupational licensing board shall prepare and place on the board's website an annual report detailing the number of applications submitted to the licensing board under this section during a calendar year and the actions taken by the board on the applications.

(9) An occupational licensing board shall adopt rules necessary to implement this section by January 1, 2021. In addition, an occupational licensing board shall make all reasonable efforts to issue a license to an applicant for a license under this section.

(10) Nothing in this section shall be construed to prohibit a military applicant, spouse or dependent from proceeding under the existing licensure requirements established by an occupational licensing board in Mississippi.

(11) Nothing in this chapter shall be construed to prevent Mississippi from entering into a licensing compact or reciprocity agreement with another state, foreign province or foreign country. A license issued under this section is valid only in Mississippi. It does not make the person eligible to work in another state under an interstate compact or reciprocity agreement unless otherwise provided in Mississippi law.

(12) Nothing in this section shall be construed to apply to the practice of law as regulated under Section 73-3-1 et seq.

(13) This section preempts any ordinances of any municipality, county and other political subdivisions of the State of Mississippi that regulate licenses.

**HISTORY:** Laws, 2013, ch. 350, § 1, eff from and after July 1, 2013; Laws, 2019, ch. 445, § 1, eff from and after passage (approved March 29, 2019); Laws, 2020, ch. 412, § 1, eff from and after July 1, 2020.

**Amendment Notes** — The 2019 amendment, effective March 29, 2019, added (4); redesignated former (4) through (9) as (5) through (10); rewrote (8), which read: "An occupational licensing board may adopt rules necessary to implement this section"; and added (11).

The 2020 amendment rewrote the section to provide that the section be known as the "Military Family Freedom Act" and to revise the provisions of this section to make it easier and faster for applicants who are members of the military or who are married to or dependents of members of the military to receive occupational licenses in Mississippi.

## § 73-50-2. Universal Recognition of Occupational Licenses Act; requirements for licensure; temporary practice permit; appeal; applicability of section.

(b) "Occupational licensing board" means any state board, commission, department or other agency in Mississippi that is established for the primary purpose of regulating the entry of persons into, and/or the conduct of persons within, a particular profession or occupation, and which is authorized to issue licenses. For the purposes of this section, the State Department of Education shall be considered an occupational licensing board when issuing teacher licenses under Section 37-3-2.

(3) Notwithstanding any other provision of law, an occupational licensing board shall issue a license or government certification in the discipline applied for and at the same practice level to a person who establishes residence in this state if, upon application to an occupational licensing board, the applicant satisfies the following conditions:

(a) The applicant holds a current and valid license in good standing in another state in an occupation with a similar scope of practice, as determined by the occupational licensing board in Mississippi, and has held this license from the occupational licensing board in the other state for at least one (1) year; and

(b) There were minimum education requirements and, if applicable, work experience, examination and clinical supervision requirements in effect, and the other state verifies that the applicant met those requirements in order to be licensed in that state; and

(c) The applicant has not committed any act in the other state that would have constituted grounds for refusal, suspension or revocation of a license to practice that occupation in Mississippi at the time the act was committed, and the applicant does not have a disqualifying criminal record as determined by the occupational licensing board in Mississippi under Mississippi law; and

(d) The applicant did not surrender a license because of negligence or intentional misconduct related to the applicant's work in the occupation in another state; and

(e) The applicant does not have a complaint, allegation or investigation pending before an occupational licensing board or other board in another state that relates to unprofessional conduct or an alleged crime. If the applicant has a complaint, allegation or investigation pending, the occupational licensing board in Mississippi shall not issue or deny a license to the applicant until the complaint, allegation or investigation is resolved, or the applicant otherwise satisfies the criteria for licensure in Mississippi to the satisfaction of the occupational licensing board in Mississippi; and

(f) The applicant pays all applicable fees in Mississippi.

(4) Notwithstanding any other law, the occupational licensing board shall issue a license to an applicant in the discipline applied for and at the same

practice level, as determined by the occupational licensing board, to a person who establishes residence in this state based on work experience in another state, if all the following apply:

- (a) The applicant worked in a state that does not use a license to regulate a lawful occupation, but Mississippi uses a license to regulate a lawful occupation with a similar scope of practice, as determined by the occupational licensing board;
- (b) The applicant worked for at least three (3) years in the lawful occupation; and
- (c) The applicant satisfies the provisions of paragraphs (c) through (f) of subsection (3) of this section.

(6) For purposes of this section, residence may be established by demonstrating proof of a state-issued identification card or one (1) of the following:

- (a) Current Mississippi residential utility bill with the applicant's name and address;
- (b) Documentation of the applicant's current ownership, or current lease of a residence in Mississippi;
- (c) Documentation of current in-state employment or notarized letter of promise of employment of the applicant or his or her spouse; or
- (d) Any verifiable documentation demonstrating Mississippi residency.

(7) A person who receives a license under this section is subject to the laws regulating the person's practice in this state and is subject to the occupational licensing board's jurisdiction.

(8) A license issued under this section is valid only in this state and does not make the person eligible to be part of an interstate compact.

(9) The occupational licensing board shall issue or deny the license to the applicant within one hundred twenty (120) days after receiving an application.

If the application requires longer than two (2) weeks to process, the occupational licensing board shall issue a temporary practice permit within thirty (30) days after receiving the application if the applicant submits an affidavit, under penalties of perjury, affirming that he or she satisfies the provisions of subsection (3) or subsection (4) and pays all applicable fees as required by subsection (3)(f) or subsection (4)(c).

The applicant may practice under the temporary permit until a license is granted, or until a notice to deny the license is issued, in accordance with rules adopted by the occupational licensing board. A temporary license will expire in three hundred sixty-five (365) days after its issuance if the applicant fails to satisfy the requirement for licensure in subsections (3) through (5), as applicable.

An occupational licensing board shall prepare and place on the board's website an annual report detailing the number of applications submitted to the licensing board under this section during a calendar year and the actions taken by the board on the applications.
